Philip Van Buskirk enlisted in the U.S. Marines in 1846, when he was twelve years old. Beginning in 1851, he recorded his thoughts and experiences on board ship, providing a firsthand account of the countries he visited, the brawling nation in which he lived, and the everyday life and homoerotic exploits of the sailors and marines who sailed with him. B.R. Burg draws on these unconventional and revelatory diaries and on social, religious, and medical writings of the time to create a picture ...

"The Seafarer" is an Anglo-Saxon or Old English poem similar to "The Wanderer" in representing the laments of an exile. While many scholars have described "The Seafarer" as an insular sailor's lamentations concluding with faith in God's ultimate mercy, just as many scholars have identified the poem as an account of a wanderer, pilgrim, or hermit's view of the world and search for God.

Abstract. Background: Seafarers are an understudied and essential workforce, isolated from medical care. This study describes injuries, illness, and risk factors for resultant disability in one shipping company with a majority of American seafarers. Methods: The study used a telemedicine database of injury and illness incidence in seafarers, and applied descriptive statistical methods and logistic regression modeling.
