A coupe utility version was released in 1971 under the Chevrolet El Camino name and was offered with imported Holden 186 six and 308 V8 engines. A version of the later Holden HQ utility was marketed in South Africa as the Chevrolet El Camino AQ. A facelifted El Camino AJ was released in 1976 with production ceasing in 1978.

1971 El Camino. For almost the entirety of its history, there was only one model of the El Camino available, though Chevy made this fact attractive by providing a slew of different options. One popular option was the SS sports package that provided distinctive exterior trim and 15-inch wheels. For the first time, the El Camino Custom models could not be chosen with a six-cylinder engine, which was only available for the standard cars.
