### *1997 Mathcounts State Sprint Round*

Mathcounts, stylized as MATHCOUNTS, is a nationwide middle school mathematics competition held in various places in the United States. Its founding sponsors include the CNA Foundation, the National Society of Professional Engineers, and the National Council of Teachers of Mathematics.. The subject matter includes geometry, counting, probability, number theory, and algebra.

### *Mathcounts - Wikipedia*

The coach of the top school team at the state level is invited to coach the state team at the national competition. Interestingly, the coach of a state team is not necessarily the coach of any of the state's team members.
