The Untouchable Tree is about our connection to the magnificence, the transcendence, and the essential nature of trees. Throughout human history, they have served as shelter and as symbol. And today, more than ever, our destiny is tied to theirs. The books weaves together prose, poetry, and art in a unique exploration of our relationship with these plants, from the billowy yet delicate black cherry to the majestic white oak. Each painting subtly points to a range of historical mythological symbols, reminding us of the "untouchable," the sacred, within each of us.

The aim of this manual is to help readers get the best from their vehicle. It provides information on routine maintenance and servicing and the tasks are described and photographed in a step-by-step sequence so that even a novice can do the work.
