Concours 14

For 2008, Kawasaki seriously ups the ante with their all-new Concours 14, which incorporates numerous components from the ZX-14 in conjunction with lots of new technology. The result is a bike that offers the lowest price in its segment with the highest horsepower; not a bad combo!

Kawasaki's profilation of this bike
Because it's a Kawasaki, the
Concours 14 is naturally designed to
do much more than just take a rider
from point A to point B. Thanks to its
sporting heritage, the new Concours
14 is not only an awe-inspiring road
burner, it can also carve up mountain
roads like a true supersport bike.

2008 Kawasaki Concours 14 specifications and pictures

The Kawasaki Concours 14 gives all-
round sportbike performance on a
sleek and stylish sport-touring bike.
The designs range from metallic matte
fusion silver to metallic spark black
paint giving an ultra-modern design to
a not so new kid on the block. The
cherry on top would have to be the
Kipass system that is integrated into
the bike.
