collectively provides a rich commentary on higher education curriculum as we know it and where we think it could be in the future. The edited volume is a catalytic tool for disrupting canonised rituals of practice in higher education. It has been a while since a scholarly book, so authoritative in its

Ultimately, the crisis in human resources is a shared problem requiring shared responsibility for cooperative action.

Alliances for action are recommended to strengthen the performance of all actors while expanding space and energy for new ones.
