In *The Voice of Knowledge*, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. “ We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection. ” — don Miguel Ruiz • From the international bestselling author of *The Four Agreements* • A New York Times bestseller • Over 300,000 copies sold in the U.S.

The ancient Toltecs believed that life as we perceive it is a dream. We each live in our own personal dream, and all of our dreams come together to make the Dream of the Planet. Problems arise when we forget that the dream is just a dream and fall victim to believing that we have no control over it. "The Mastery of Self" takes the Toltec philosophy of the Dream of the Planet and the personal dream and explains how a person can: Wake upLiberate themselves from illusory beliefs and storiesLive with authenticity Once released, we can live as our true, authentic, loving self, not only in solitude and meditation, but in any place--at the grocery store, stuck in traffic, etc.--and in any situation or scenario that confronts us. The Five Levels of Attachment picks up from where Don Miguel Ruiz, Jr's father's book, *The Four Agreements*, left off. Building on the principles found in his father's international bestseller (2.5 million copies sold in the US), Don Miguel explores the ways in which we attach ourselves inappropriately to beliefs and the world. This is ancient wisdom for finding your true self. Ruiz explores the five levels of attachment that cause suffering in our lives. The five levels are: • Authentic Self • Preference • Identification • Internalization • Fanaticism Accessible and practical, *The Five Levels of Attachment* invites us to look at our own lives and see how an unhealthy level of attachment can keep us trapped in a psychological and spiritual fog. He then teaches us to reclaim our true freedom by cultivating awareness, detaching, and discover our true selves.

In this companion to his best-selling book, Singleton presents first-person vignettes and a detailed case study showing educators how to usher in courageous conversations to ignite systemic transformation.
