Diplomatic histories involve people on a large scale because that simply reflects the reality of the past. It also reflects what diplomats do and that is to interact with a lot of people on behalf of their country. Modern diplomacy is overseen by government officials at home due to the real time availability of communications today.

Diplomatic History on JSTOR
Summary. Diplomatic relations between the United States and Mexico have been intimate and often contentious. At the outset, the issue of granting recognition to an independent Mexico divided American leaders such as Henry Clay and John Quincy Adams. After finally recognizing Mexico in 1822, the U.S. push for territorial expansion led to a war between the two countries (1846-48).

Mexico - Countries - Office of the Historian

A short but dense history of the war's diplomacy, with an emphasis on the European balance of power. Dull does a fine job putting all developments into their international context. He also debunks the more traditional narratives about the American mission's supposed "idealism" or the effect of Saratoga.
