“ A Practical Guide for Policy Analysis is the essential text to
introduce health policy students to the practice of policy analysis. The
authors offer a persuasive argument for why defining the problem is the
fundamental yet challenging first step of policy analysis; this lesson is
critical for health policy, where issue rhetoric abounds.

A Practical Guide for Policy Analysis: The Eightfold Path ...

Synopsis. A clear and effective guide to policy analysis addressing the
psychology, as well as the logic, of the analytical process Full of helpful
hints, such as warnings about language traps, strategies for
economizing on data collection, and checklists for generating
solutions, this book is widely used by students, practicing policy
officials in government, and professionals in executive-level training
programmes.
