a Roland for an Oliver. An exchange, especially in battle, in which that which is given is equal in measure and might to that which is received. Named for the two legendary medieval knights Roland and Oliver, who fought for the emperor Charlemagne. Their feats and powers were so equally matched that they were considered to be equal measures of military prowess.

A Roland for an Oliver - Idioms by The Free Dictionary

The phrase a Roland for an Oliver and variants mean a tit for tat, a blow for a blow. Roland is a legendary nephew of Charlemagne celebrated in the Old-French epic poem La Chanson de Roland and many other romances, frequently together with his comrade Oliver; having fought each other in single combat in which neither won, they were regarded as unbeatable together.
