Bold because I believe that the Bible can be a profound guide to life, but cautious in that I want to acknowledge that that guidance often comes to us "sideways." That is, the Bible is most interested in inviting us to understand the meaning of this mysterious life we share by inviting us into relationship with God, a relationship that in turn offers counsel regarding the variety of moral ...

Is the Bible a Reliable Moral Guide? | HuffPost

This guide introduces the complex new edition of the Nestle-Aland Novum Testamentum Graece, 28 Edition, explaining its structure, the text-critical apparatus and appendices, and the innovations of the new edition. Designed for beginning students as well as scholars, it includes exercises for use in self-study and classroom instruction.

Compares more than thirty translations of the Bible and examines how an individual's priorities would effect their choice of translation. Original.

A new addition to the Lion Style Manual series--the popular series that explores subjects and issues at the heart of Christianity in a lively and accessible way. Beginning with the Book of Genesis, this guide takes readers on a tour of the entire Bible, explaining its characters and events, and showing what it has to say to us today. Color photos and illustrations.

A User's Guide to the Bible is a practical introduction to the Bible for adults. In this study you will learn about the contents, date, and authorship of each biblical book, be introduced to some basic Bible study tools, and learn how to use them. Insights: Bible Studies for Growing Faith is a fresh and timely Bible study series. In these short-term, thematically based resources, individuals and groups are invited to find meaning and direction for their lives by exploring the Scriptures in a way that is both thoughtful and thought-provoking.

A colourful and accessible introduction to the riches of the Bible

Given the wealth of English translations of the Bible available today, how can anyone know which is the right one for them? The options seem overwhelming. Biblical scholar Ron Rhodes provides an easy-to-read guide that takes the guesswork out of choosing a Bible. He critiques the prominent theories of translation, lets readers in on the debate about gender-inclusive language, and thoroughly covers the major English translations from the King James Version to the New Living Translation and everything in between, including the two most recent Bibles for Catholics. His examination of each version includes the story behind the translation the translation theory used the intended readership pluses and minuses comparisons with other translations A unique feature is Rhodes' look at secondary factors to keep in mind when choosing a Bible, such as the type size, the quality of the paper, the existence and placement of cross references and other study helps, and the types of bindings. The result is an indispensable guide to help readers through the maze of choosing the translation best suited for them.

Introduces readers to the ancient prayer form of the Divine Offices. This guide illuminates the history, theology, and how-to's of this ancient form of prayer. On each left-facing page, a portion of the service from the BCP is reproduced; on the right page, readers will find details and explanations touching on both the background and history.

Dave Brunn has been an international Bible translator for many years. In this book, he gives us a window into the inner workings of translation practice to help us sort out the many competing claims for various English Bible translations.

I wrote this book to help people like myself, who may have tried to understand the Bible or have been intimidated by it. In the beginning of my study of the Bible, I spent hours trying to get the hang of it. I got lost reading long lists of names I couldn't even figure out how to pronounce. The book of Leviticus contained lists of rules and regulations.
