Voice over transcript: A Whole New Mind - why right-brainers will rule the future - by Daniel Pink. Our brains are divided into two hemispheres: the left is all about logic and analysis, and helps us get high SAT scores; the right, is all about design and emotion, and helps us... "get" art. Over the past century, we have been focusing much more on left- than right-brain thinking, as we had to make sense of an explosion of information, convert it into knowledge, and put that knowledge to ...

Fall '08/Winter '09 Reading Group List. “A Whole New Mind is an amazing scientific and self-help book that argues that, in order to succeed in modern life, one must become more creative -- or, use not only the logical left brain but also the right brain, a center for emotional thinking and synthesis. Pink very convincingly argues this point and gives many suggestions for ways to increase creativity.”.

A Whole New Mind: Why Right-Brainers Will Rule the Future ...

Daniel suggests that we need to develop “a whole new mind” to evaluate situations and events that utilize both sides of the brain in equal amounts. This book focuses on the idea that right brain thinking will be depended on heavily in the future as we grow and change the way we interact. This book was fantastic!
