A history of the Korean War with soldier's-eye views from both sides, by the Pulitzer Prize-winning author of The Rising Sun and Infamy. Pulitzer Prize-winning author John Toland reports on the Korean War in a revolutionary way in this thoroughly researched and riveting book. Toland pored over military archives and was the first person to gain access to previously undisclosed Chinese records, which allowed him to investigate Chairman Mao's direct involvement in the conflict. Toland supplements his captivating history with in-depth interviews with more than two hundred American soldiers, as well as North Korean, South Korean, and Chinese combatants, plus dozens of poignant photographs, bringing those who fought to vivid life and honoring the memory of those lost. In Mortal Combat is comprehensive in its discussion of events deemed controversial, such as American brutality against Korean civilians and allegations of American use of biological warfare. Toland tells the dramatic account of the Korean War from start to finish, from the appalling experience of its POWs to Mao's prediction of MacArthur's Inchon invasion. Toland's account of the "forgotten war" is a must-read for any history aficionado.

NATIONAL BESTSELLER For years, people have been asking Ezekiel “Zeke” Emanuel, the brash, outspoken, and fiercely loyal eldest brother in the Emanuel clan, the same question: What did your mom put in the cereal? Middle brother Rahm is the mayor of Chicago, erstwhile White House chief of staff, and one of the most colorful figures in American politics. Youngest brother Ari is a Hollywood superagent, the real-life model for the character of Ari Gold on the hit series *Entourage*. And Zeke himself, whom the other brothers consider to be the smartest of them all, is one of the world’s leading bioethicists and oncologists, and a former special advisor for health policy in the Obama administration. How did one family of modest means produce three such high-achieving kids? Here, for the first time, Zeke provides the answer. Set amid the tumult of Chicago in the 1960s and 1970s, *Brothers Emanuel* recounts the intertwined histories of these three rambunctious, hypercompetitive Jewish American boys, each with his own unique and compelling life story. But ultimately, this is the story of the entire Emanuel family: the tough, colorful Old World grandparents; a mischievous, loving father who immigrated to the United States with twenty-five dollars and who enthralled his boys with tales of his adventures in Israel’s war for independence; and a proud, politically engaged mother who took the boys with her to rallies and protests—including a civil rights march through the streets of Chicago led by Martin Luther King himself. Even as the Emanuels distinguished themselves as individuals, the bond of brotherhood that tied them together was never broken. *Brothers Emanuel* is a wry, rollicking, and often poignant narrative of how one American family succeeded in raising three extraordinary children. Praise for *Brothers Emanuel* “An endearing, honest and gripping account of an American success story.”—*San Francisco Chronicle* “A beautiful portrait of growing up Jewish in an urban environment during an era of profound social change.”—*Publishers Weekly* “This delightful memoir is a deeply personal tale of one family, but it’s also about much larger things: America and tribal identity, love and rivalry, and the moral lessons to be learned as you grow up.”—*Walter Isaacson* “Fascinating . . . a classic tale of an immigrant family.”—*Chicago Tribune* “Mighty entertaining.”—*The Hollywood Reporter* “A clear-eyed, candid memoir that is unique and yet quintessentially American.”—*BookPage* “A fun read.”—*The Forward*

The men of the Bastion Club proved their bravery secretly fighting for their country. Now their leader faces that most dangerous mission of all: finding a bride. As the mysterious leader of the Bastion Club known as "Dalziel," Royce Varisey, tenth Duke of Wolverstone, served his country for decades, facing dangers untold. But as the holder of one of England's most august noble titles, he must now take on that gravest duty of all: marriage. Yet the young ladies the grand dames would have him consider are predictably boring. Far more tempting is his castle's willful and determinedly aloof chatelaine, Minerva Chesterton. Beneath her serene façade lies a woman of smoldering sensuality, one who will fill his days with comfort and his nights with sheer pleasure. Determined to claim her, he embarks on a seduction to prove his mastery over every inch of her body . . . and every piece of her heart.
