Small-Town America Is Facing Big-City Problems – Next City

Urban warfare is combat conducted in urban areas such as towns and cities.Urban combat differs from combat in the open at both the operational and the tactical levels. Complicating factors in urban warfare include the presence of civilians and the complexity of the urban terrain.Urban combat operations may be conducted to capitalize on strategic or tactical advantages associated with the ...

Urban warfare - Wikipedia

Urban and rural areas often meet their water demands from a shared stock of finite water resources. Against the changing climate, the rising water demands in fast-growing urban areas are leading to increasing water-use conflicts with the co-dependent rural areas. Although poor water governance is frequently cited as the key reason for such urban–rural conflicts, it is also recognized as ...

Addressing Urban–Rural Water Conflicts in Nagpur through ...

Urban-Rural Conflicts: Prohibition The conflict between the countryside and the city was fought on many fronts, and in one sector, the rural forces achieved a quick victory. This was the prohibition of the manufacture, transportation, and sale of alcoholic beverages by the Eighteenth Amendment, ratified in 1919.

Urban Rural Conflicts: Prohibition

The local and regional administrations of Valencia, Spain, have been working to position the city, which is the country's third largest in terms of population, as an international destination for luxury tourism through sports mega-events. Valencia's new image as a "mega-events city" has been criticized by citizens and urban-based movements on social and environmental grounds, resulting in ...

Mega Events and Urban Conflicts in Valencia, Spain ...

This thesis examines urban political conflict in the late Middle Ages (c. 1370-1440) in Europe's most heavily urbanised regions, Italy and the Southern Low Countries. Conflicts have frequently been viewed in the context of an emerging state-controlled political order, and have been interpreted

The logic of political conflict in the late Middle Ages: a ...

In Calgary, Alberta, the highest numbers of conflicts were in two small parks located near the urban core of the city, and the fewest conflicts were in two large, natural parks located near the city boundary (Lukasik and Alexander, 2011). Furthermore, conflicts were most often reported in close proximity to a river.
