Jainism is an ancient religion. Jains trace their beliefs and history through a succession of twenty-four leaders (tirthankaras). Today there are about 4 to 5 million followers of the religion, mostly living in India, and they are known as Jains. Jainism is based on the idea that people should never be violent in what they think, do or say. Unlike some religions, Jains do not believe in a god ...

Jainism - Tes - Education Jobs, Teaching Resources ...
Jainism differs from different religions in its concept of God. Jainism regards all living souls as divine. They believe that when a soul is free of all the karma, then it attains God-consciousness. Hence, the primary goal of Jainism is to become a perfect soul (also known as Siddha, Parmatama, or God). The perfect soul possesses pure consciousness, perfect knowledge, power, and bliss.

Fundamentals of Jainism - HUIT Sites Hosting
An aim is usually a broad overall statement of what will be achieved. The aim tells your learners what they will gain from the eLearning course.e.g. At the end of reading this article the learner should understand aims and objectives for eLearning courses.Learning objectives are a breakdown of this aim and are more actionable.

How To Write Aims and Objectives for eLearning Courses ...
The ultimate objective of the Jain religion is for the soul to attain self-realisation, which is liberation. The soul is a concept found in many religions but Jain beliefs about the soul or self are very distinctive. In Jain cosmology the soul is a pure substance with: consciousness - caitanya; energy - vIrya; bliss - sukha.
