Alice in Deadland was released in November 2011 and quickly became an Amazon.com bestseller, selling more than 50,000 copies in its first three months. It was followed by its sequel, 'Through The Looking Glass' and 'Off With Their Heads', the prequel to Alice in Deadland. Now, get all three of the first novels in the Alice in Deadland Trilogy in one single omnibus edition and immerse yourself in this bestselling adventure. Civilization as we know it ended more than fifteen years ago, leaving as it's legacy barren wastelands called the Deadland and a new terror for the humans who survived- hordes of undead Biters. Fifteen year-old Alice has spent her entire life in the Deadland, her education consisting of how best to use guns and knives in the ongoing war for survival against the Biters. One day, Alice spots a Biter disappearing into a hole in the ground and follows it, in search of fabled underground Biter bases. What Alice discovers there propels her into an action-packed adventure that changes her life and that of all humans in the Deadland forever. An adventure where she learns the terrible conspiracy behind the ruin of humanity, the truth behind the origin of the Biters, and the prophecy the mysterious Biter Queen believes Alice is destined to fulfill. A prophecy based on the charred remains of the last book in the Deadland- a book called Alice in Wonderland.

Meant for young adult.

What is the similarity between selling a brand and standing out for promotion? Can the principles of B2B marketing really give marriage a happily ever after? Is using celebrities to sell shampoo the same thing as getting references for your resume? How can lessons from the branding of Starbucks and McDonald's change your life? This is not the sort of marketing you learn in business schools, but more a science which influences human perception and through it, behaviour. From the days of Adam, this is that power we all understand intuitively and use every day. From losing weight to implementing better work-life balance to how we incentivize conduct in our friends and colleagues-there are lessons and insights in the book that you'll find yourself relating to and applying in how you lead your life. Combining the business and branding experience of a CEO, with the storytelling ability of a novelist, Mainak Dhar's Brand Shastra will stimulate, inspire and entertain.

The latest thriller in the bestselling Alice in Deadland series. In the Amazon.com bestselling Alice in Deadland series, we meet a fifteen-year-old girl called Alice living in a post-apocalyptic wasteland ravaged by undead Biters. Alice follows a bunny-eared Biter down a hole, triggering an adventure that forever changes her life and that of everyone in the Deadland. The true conspiracy behind The Rising which destroyed human civilization is revealed, and Alice discovers her destiny in defeating the dark forces behind it. But what was life like for Alice growing up in the Deadland? How did she first come face to face with Biters? How did she come to be such a skilled fighter? In a world full of violence and death, did she ever know friendship, and even love? This collection of stories answers all those questions and reveals to you the hitherto untold story of Alice in Deadland.

It is 2012, and the world is a more dangerous place than ever before. Revolutions have swept aside one Middle Eastern regime after another. A regime allied to Al Qaeda has swept to power in Saudi Arabia, and uses its oil wealth and modern arsenal to further spread Jihad around the world. Yet another military coup brings a fundamentalist regime to power in Pakistan, which initiates an audacious plan to strike the first blow in this new global Jihad. As unprecedented terror attacks stun India, the stage is set for a conflict that brings the Indian subcontinent to the brink of a nuclear apocalypse. With a broad cast of characters that puts the reader into the thick of the unfolding crisis, a fast-paced storyline ripped from today's headlines, and explosive action, Line of Control is a thriller uniquely suited to the times we live in. Praise for the Indian paperback edition: "An outstanding book. Better than Tom Clancy any day. I wish I had/could have written such a book." - Air Commodore Jasjeet Singh (Retd.) Director, Institute for Air Power Studies "Captures very well the cut and thrust of combat. A thrilling read." - General V.N Sharma (Retd.) Former Chief of Army Staff, India "Dhar brings us a scenario that seems possible yet apocalyptic." - The Hindustan Times "Other than being a great plot, the author seems know how weapons work, which is a great relief to the readers and spices up the novel." - Frontier India "The characters seem real, with abundant mention of various historical characters and national heroes. Dhar has done equal justice to characters from both sides of the border. By placing readers in the thick of action, similar to the circumstances that we find ourselves in today, Dhar has actually managed to find a connect that cannot be missed easily." - HT City "A page-turner right the word 'go', Line of... is also very timely. With utter chaos all around and many internal battles fought in the name of religion, Line of ... couldn't have been timed better. This racy war-thriller is exciting, to say the least, as the reader is drawn deep into the action of war. Mainak Dhar's characterization deserves a special mention too, as each character, be it the Pakistani or Indian, is sketched in detail, complete with their eccentricities and ordinariness." - Deccan Herald "The spine-chilling war scenario entertains, by all means, with skilful plot, well-drawn variety of characters, thrilling action, a high degree of intrigue, suspense and tension, grim humour...There is no gainsaying the fact that in the wake of recent Mumbai terror strikes, "the war thriller," delineating serious and topical concerns -- fundamentalism fuelling terrorism, burgeoning instability in Pakistan, reaction of other countries to the chronic and mounting tension between India and Pakistan -- will attract much wider readership." - The Tribune

A new thriller from the author of the Amazon.com bestselling Alice in Deadland trilogy. When there were still people around to talk to, I would introduce myself as a drinker with a writing problem. It sounded witty at the time, and certainly got a smile once in a while from the ladies. None of that matters now. There are no people left to read my books, and nobody left to listen to my attempts at wit. Now it's just me, sitting in my house on the hill, watching the undead rampage through what we humans once called our world. I sometimes wonder why I still live when those much younger, stronger, smarter and fitter than me perished. Maybe it's just dumb luck. But maybe I am being left alive for a purpose. Nobody may have cared much for my novel, but maybe this is what I was meant to write. Maybe this is what I was meant to be. The chronicler of the undead. This is my story.

It began with undead Taliban in Afghan villages—and spread faster than anyone could have anticipated. In a world laid waste by this new terror, five unlikely companions come together in a devastated New Delhi—a seventeen-year-old boy dealing with the loss of his family, a US Navy SEAL trying to get back home, a middle-aged history professor, a young girl and her three-year-old brother. When they discover that the child may hold the key to ending the pestilence that threatens to destroy their world, they begin an epic journey to a rumoured safe zone high in the Himalayas. The journey will pit them against terrible adversaries, both human and undead. Will they survive? Or will they too, like many before them, become undead citizens of Zombiistan? This gripping read from the Amazon bestseller Mainak Dhar is guaranteed to enthrall and entertain.

Being the son of an ambassador is never easy but being from a race of alien-human hybrids, known as Travelers, makes life for Kellan and his girlfriend, Tendra, even more difficult. All they want is to be like everyone else on Earth, but when they come face to face with a group of anti-Trav humans, their lives are changed forever.Agent Kate Pierce's job as a member of the newly-formed Reattachment and Protection Agency is to keep children safe - specifically human-alien hybrid children. When terrorists threaten Kate's ability to protect Sabrina, a Traveler child, Kate draws on strengths that she never knew she had, becoming entangled with the aliens, her own government, and a conspiracy that turns her world upside down.Alien-human hybrids who have no memory of their past are headed to Earth!Children with mysterious superpowers are being abducted! Deep seeded Government secrets threaten the stability of the planet and?A desperate federal agent searches for the daughter that she never knew she had!The first book in the HUMANS, GODS, and HYBRIDS series challenges everything you thought you knew about first contact with an alien race.

You figure your movie date won't end well when the man in front of you gets shot. I'm out on a date with my girlfriend, and everything is perfect...till that shot. A high-calibre bullet. No apparent sound. A rifle with a suppressor. A sniper in the middle of a mall! As the body count mounts and I get sucked in deeper into the chaos that is unleashed by that shot, I find myself confronting many deadly enemies. To survive, and save those I care about most, I need to tap into a bloody past I thought I had left behind. I find myself on a kill list put online by terrorists and being thrown together with a man whom I need to work with if we are to save ourselves and countless others. The problem is that man is sworn to kill me. In a world where the young and poor kill and die in conflicts started by the old and rich, I and my unlikely companion finally discover the thin line that separates a mere killer from a hero. This is our story...

The first book in Chris Colfer's #1 New York Times bestselling series The Land of Stories about two siblings who fall into a fairy-tale world! Alex and Conner Bailey's world is about to change forever, in this fast-paced adventure that uniquely combines our modern day world with the enchanting realm of classic fairy tales. The Land of Stories tells the tale of twins Alex and Conner. Through the mysterious powers of a cherished book of stories, they leave their world behind and find themselves in a foreign land full of wonder and magic where they come face-to-face with fairy tale characters they grew up reading about. But after a series of encounters with witches, wolves, goblins, and trolls alike, getting back home is going to be harder than they thought.
