Almost A Miracle The American
General George Washington put it
best when he said that the
American victory was "little short
of a standing miracle". Almost a
Miracle offers an illuminating
portrait of America's triumph,
offering vivid descriptions of all
the major engagements, from the
first shots fired on Lexington
Green to the surrender of General
Cornwallis at Yorktown, revealing
how these battles often hinged on
intangibles such as leadership
under fire, heroism, good fortune,
blunders, tenacity, and surprise.
