Always The Bridesmaids

Always a Bridesmaid had me smiling the whole time. It's a fun read for anyone who has ever been a bridesmaid, known a crazy bride (or two, or three...) or been married yourself. A cute, light read. I can't wait to read the next one about the two main characters again. Here Comes the Bride.

Violet Abrams may have been a bridesmaid no less than seven times, but her wedding day was near/she could feel it. Until her longtime boyfriend left her for someone else. That's just fine/she has her photography and a new project redesigning her sister's bakery to keep her happy and fulfilled. Fast-forward to the day of his wedding, though, when Violet might have accidentally, totally not on purpose, started a fire. And... Officially the worst day ever. Firefighter Ford Maguire thought he'd seen it all. Until he's called out because someone tried to set the local bakery on fire...with a wedding magazine? The title arsonist might be the cutest woman he's ever seen, but he's too career-focused to consider something serious. Still, Violet seems like a great person to help him navigate his upcoming (man of honor) duties in his best friend's wedding. Pretty soon, not only is Violet giving him lessons on all things weddings, she's helping him train his latest rescue-dog recruit puppies and weaving her way seamlessly into his lone-wolf lifestyle. But forever is the last thing on Ford's mind, and if there's one thing a perpetual bridesmaid knows, it's the importance of a happily ever after. Each book in the Getting Hitched series is STANDALONE: * Just One of the Groomsmen * Always a Bridesmaid

The hilarious new summer bestseller from Lindsey Kelk, bestselling author of the I Heart series.

What do you do after you walk down the aisle in four weddings in a few months-none of them your own? What's left after you've donned the must-have-not dresses of the season, forked over your cash, and fake-smiled your way through countless photos? After you've dealt with the smashed guest, the smushed cake, the dashed hopes, and the missed bouquets? That's what Cate Padgett is starting to wonder, as she embarks on stint after stint on the sidelines, watching friends swap bar-hopping for baby-naming...while her own love life goes nowhere fast. But is Cate unwilling to settle down-or just unwilling to settle? And can anyone really judge her if they haven't walked in her dyed-to-match shoes? Wild, witty, and full of weddings to cry over, Always the Bridesmaid is an endearingly romantic comedy about standing out in the crowd even when everyone's wearing the same celery-green dress...and daring to make every day The Happiest Day of Your Life.

In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City Millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. *Previously published as Always a Bridesmaid (for Hire) After moving to New York City in her mid-twenties to pursue her dream of writing(and not living on the (Upper East Side) of her parents' house anymore)en Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, "Jen, I have something exciting to tell you!" and ended with, "I'd be honored if you would be my bridesmaid." At first she was delighted, but it wasn't long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen(and more insight into the meaning of love than she was getting from OKCupid)as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, Always a Bridesmaid (For Hire) is an entertaining reminder that even if you don't have everything together, you can still be a total bossior, at the very least, a BFF to another girl in need.

THE STORY: In this hilarious comedic romp, four friends have sworn to keep the promise they made on the night of their Senior Prom: to be in each other's weddings...no matter what. More than thirty years later, these Southern friends-for-life are still maki

After four stints as a bridesmaid in a few months, Cate Padgett is beginning to get of tired of ugly dresses for which she has paid too much, posed photographs with the wedding party, drunken guests, missed bouquets, and life on the sidelines as she copes with the ups and downs of her romantic life. A first novel. Original. 40,000 first printing.

Being a bridesmaid is one of the greatest honors a dear friend can bestow. But actually wearing the dress the bride picks out? That's the true test of friendship. You Can Wear It Again pays loving tribute to fifty years of bridesmaids' dresses, as featured in real-life weddings. The product of both fashion trends and the bride's whims, bridesmaids' dresses may take the form of medieval costume, complete with wimple; slip dresses with real feathered wings to transform maids into true angels; or the ruffled peach taffeta with puff sleeves that so dominated the 1980s. Whatever the look, you can be sure it's been in and out of fashion more than once. Some lessons are never learned. The perfect gift for current and former bridesmaids, You Can Wear It Again isn't just a showcase of bridal fashions, but a testament to the selfless women everywhere who help the bride's dreams come true.

Don't miss this heartfelt conclusion to the beloved Always a Bridesmaid series from NewYork Times bestselling author Sherry! Woods. When Luke Cassidy proposed to his best friend, Katie Jones was relieved that she was finally going to trade bridesmaid tuffetafor bridal silk. Unfortunately, Luke had business(not love)on his mind. He only wanted another for his five-year-old son, and Katie's dreams of bridal bliss were turning into herworst nightmare. She had loved Luke for as long as she could remember, so she'd just haveto convince him that she was more than a temporary business partner!she was a maritalpartner for life!

Does this title hit home with you? Is that you hiding in the shadows, gazing at the bride—her beauty, her purity, so breathtaking. Are you ready for a change of wardrobe? Are you ready for a change of identity? This is your invitation to embark on a life-changing adventure that will silence the lies and reveal the truth of who you were created to be. On this journey of love, the Bridegroom has come to intimately assist you in this transformation. This is a modern day fairy tale with a twist. It is true. Come meet the One whose name is Faithful and True!
