"What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India." –Anand Teltumbde, author of *The Persistence of Caste* B.R. Ambedkar's *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in "The Doctor and the Saint," examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

WRITING PROGRAMS WORLDWIDE offers an important global perspective to the growing research literature in the shaping of writing programs. The authors of its program profiles show how innovators at a diverse range of universities on six continents have dealt creatively over many years with day-to-day and long-range issues affecting how students across disciplines and languages grow as communicators and learners.

Women's Studies First Emerged In India During The 1970S As A Forceful Critique Of Those Processes That Had Made Women Invisible&nbsp;After Independence&mdash;Invisible Not Only To Society And The State, But Also To Higher Education And Its Disciplines.&nbsp;Since That Beginning, So Much Has Happened In This Already Vast Field That It Would Be Hard To Find A Major Issue Or Subject That Has Not Been Addressed By Scholars And Activists.&nbsp; This Comprehensive Reader Sets Out To Provide A Map Of The Development Of Women's Studies And The Ever Expanding Terrain That It Has Been Investigating.&nbsp;The Introduction Explores The Growth Of The Field From The Upheavals Of The 1970S To The Transformed Conjunctures Of The 1990S. In The Process, The Often Elusive Relationships Between Women's Studies, The Women's Movement And The Structures Of Higher Education Are Highlighted.&nbsp;Over Eighty Edited Essays Have Been Brought Together In This Single Volume Under Distinct Thematic Clusters&mdash;From The New Beginnings Of The 1970S To Politics, History, Development, Violence, The Law, Education, Health, Family And Household, Caste And Tribe, Religion And Communalism, Sexualities, And Literature And The Media.&nbsp;This Reader Is For Both Newcomers To Women's Studies And For Those Who Have Long Been Part Of It.&nbsp;

THE WORLD THROUGH A FEMINIST LENS For Nivedita Menon, feminism is not about a moment of final triumph over patriarchy but about the gradual transformation of the social field so decisively that old markers shift forever. From sexual harassment charges against international figures to the challenge that caste politics poses to feminism, from the ban on the veil in France to the attempt to impose skirts on international women badminton players, from queer politics to domestic servants' unions to the Pink Chaddi campaign, Menon deftly illustrates how feminism complicates the field irrevocably. Incisive, eclectic and politically engaged, *Seeing like a Feminist* is a bold and wide-ranging book that reorders contemporary society.

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • NATIONAL BOOK AWARD LONGLIST • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus

far.”—Dwight Garner, *The New York Times* The Pulitzer Prize–winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. NAMED THE #1 NONFICTION BOOK OF THE YEAR BY TIME, ONE OF THE TEN BEST BOOKS OF THE YEAR BY People • The Washington Post • Publishers Weekly AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • NPR • Bloomberg • Christian Science Monitor • New York Post • The New York Public Library • Fortune • Smithsonian Magazine • Marie Claire • Town & Country • Slate • Library Journal • Kirkus Reviews • LibraryReads • PopMatters Winner of the Los Angeles Times Book Prize • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist “As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people’s lives and behavior and the nation’s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball’s Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.
