As DACA Deadline Passes, a Portrait of a Dreamer's Life

The American Dream is a national ethos of the United States, the set of ideals (democracy, rights, liberty, opportunity and equality) in which freedom includes the opportunity for prosperity and success, as well as an upward social mobility for the family and children, achieved through hard work in a society with few barriers. In the definition of the American Dream by James Truslow Adams in ...

American Dreamer brims with anecdotes that cover Tommy's years as a club kid and scrappy entrepreneur in 1970s New York as well as unique insights into the exclusive A-list personalities with whom he's collaborated and interacted, from Mick Jagger and David Bowie to Ralph Lauren and Calvin Klein. But this is more than just a fashion icon's memoir--it's a road map for building a brand, both professionally and personally.

American Dreamer: My Life in Fashion & Business by Tommy ...

In 'American Dreamer', Hyde and Culver give a well-written and balanced account of the life on one of the most enigmatic and progressive political leaders that America has ever produced. Why his name has never come up in years of taking history courses amazes me- especially in light of the fact that his thoughts on the cold war, which he tried desperately to steer us away from, turned out to ...

American Dreamer: The Life and Times of Henry A. Wallace ...

In American Dreamer, former U.S. Senator John C. Culver and journalist John Hyde have written the first full-length biography of Wallace. By studying him and his career, we can explore how statist ideas were conceived and implemented in the New Deal era. Henry A. Wallace (1888-1965) grew up in Iowa in a family of prominent journalists.

American Dreamer: A Life of Henry A. Wallace by John C ...

American Dreamer: A Life of Henry A. Wallace by John C. Culver and John Hyde. An unjustly neglected figure in American political history, Henry A. Wallace (1888-1965) is usually remembered if at all in vague terms, as a hapless footnote to the 1948 national election between President Harry S. Truman and Thomas E. Dewey.

American Dreamer: The Life and Times of Henry A. Wallace Norton Paperback: Authors: John C. Culver, John Hyde: Edition: illustrated, reprint: Publisher: W. W. Norton & Company, 2001: ISBN:...

The life of former Iowa senator, economist, geneticist, and agricultural icon Henry Wallace is laid bare in this biography of a towering figure of FDR's wartime presidency. Reprint.

The great politician, agriculturalist, economist, author, and businessman—loved and reviled, and finally now revealed. The great politician, agriculturalist, economist, author, and businessman—loved and reviled, and finally now revealed. The first full biography of Henry A. Wallace, a visionary intellectual and one of this century's most important and controversial figures. Henry Agard Wallace was a geneticist of international renown, a prolific author, a groundbreaking economist, and a businessman whose company paved the way for a worldwide agricultural revolution. He also held two cabinet posts, served four tumultuous years as America's wartime vice president under FDR, and waged a quixotic campaign for president in 1948. Wallace was a figure of Sphinx-like paradox: a shy man, uncomfortable in the world of politics, who only narrowly missed becoming president of the United States; the scion of prominent Midwestern Republicans and the philosophical voice of New Deal liberalism; loved by millions as the Prophet of the Common Man, and reviled by millions more as a dangerous, misguided radical. John C. Culver and John Hyde have combed through thousands of document pages and family papers, from Wallace's letters and diaries to previously unavailable files sealed within the archives of the Soviet Union. Here is the remarkable story of an authentic American dreamer. A Washington Post Best Book of the Year. 32 pages of b/w photographs. "A careful, readable, sympathetic but commendably dispassionate biography."—Arthur Schlesinger, Jr., Los Angeles Times Book Review "In this masterly work, Culver and Hyde have captured one of the more fascinating figures in American history."—Doris Kearns Goodwin, author of No Ordinary Time "Wonderfully researched and very well written...an indispensable document on both the man and the time."—John Kenneth Galbraith "A fascinating, thoughtful, incisive, and well-researched life of the mysterious and complicated figure who might have become president..."—Michael Beschloss, author of Taking Charge: The Johnson White House Tapes, 1963-1964 "This is a great book about a great man. I can't recall when—if ever—I've read a better biography."—George McGovern "[A] lucid and sympathetic portrait of a fascinating character. Wallace's life reminds us of a time when ideas really mattered."—Evan Thomas, author of The Very Best Men: The Early Years of the CIA "Everyone interested in twentieth-century American history will want to read this book."—Robert Dallek, author of Flawed Giant "[T]he most balanced, complete, and readable account..."—Walter LaFeber, author of Inevitable Revolutions "At long last a lucid, balanced and judicious narrative of Henry Wallace...a first-rate biography."—Douglas Brinkley, author of The Unfinished Presidency "A fine contribution to twentieth-century American history."—James MacGregor Burns, author of Dead Center: Clinton-Gore Leadership and the Perils of Moderation "[E]minently readable...a captivating chronicle of American politics from the Depression through the 1960s."—Senator Edward M. Kennedy "A formidable achievement....[an] engrossing account."—Kai Bird, author of The Color of Truth: McGeorge Bundy & William Bundy, Brothers in Arms "Many perceptions of Henry Wallace, not always favorable, will forever be changed."—Dale Bumpers, former US Senator, Arkansas

The life of former Iowa senator, economist, geneticist, and agricultural icon Henry Wallace is laid bare in this biography of a towering figure of FDR's wartime president.

"A business and pop culture icon traces the story of his life and career, discussing his working-class childhood with eight siblings, the dyslexia that challenged his education, his novel approaches to commerce, and his enduring influence on American style,"--NoveList.

—A fresh and vital new voice in romance.—Entertainment Weekly From award-winning author Adriana Herrera comes a novel hailed as one of Entertainment Weekly's 10 Best Romance Novels of 2019 and a TODAY Show Hot Summer Read. No one ever said big dreams come easy For Nesto Vasquez, moving his Afro-Caribbean food truck from New York City to the wilds of Upstate New York is a huge gamble. If it works? He'll be a big fish in a little pond. If it doesn't? He'll have to give up the hustle and return to the day job he hates. He's got six months to make it happen—the last thing he needs is a distraction. Jude Fuller is proud of the life he's built on the banks of Cayuga Lake. He has a job he loves and good friends. It's safe. It's quiet. And it's damn lonely. Until he tries Ithaca's most-talked-about new lunch spot and works up the courage to flirt with the handsome owner. Soon he can't get enough—of Nesto's food or of Nesto. For the first time in his life, Jude can finally taste the kind of happiness that's always been just out of reach. An opportunity too good to pass up could mean a way to stay together and an incredible future for them both...if Nesto can remember happiness isn't always measured by business success. And if Jude can overcome his past and trust his man will never let him down. Dreamers Book 1: American Dreamer Book 2: American Fairytale Book 3: American Love Story Book 4: American Sweethearts Book 5: American Christmas

"Oregon history is rich with stories of courageous individuals who overcame tremendous odds. Few stories are more compelling and inspirational, however, than that of Tim Tran. In "American Dreamer," Tim shares the remarkable journey that brought him from communist Vietnam to personal and professional success in Oregon. It should be required reading for anyone who doubts that the American dream is alive and well." -- Kerry Tymchuk, Executive Director, Oregon Historical Society

With insight and refreshing candor, Peter G. Peterson describes his remarkable life story beginning in Kearney, Nebraska as an eight-year-old manning the cash register at his father's Greek diner through his "Mad Men" advertising days, to Secretary of Commerce in Nixon's paranoid White House, to the tumultuous days of Lehman Brothers, and to the creation of The Blackstone Group, one of the great financial enterprises in recent times. In THE EDUCATION OF AN AMERICAN DREAMER, Peterson chronicles the progress of this journey with irony, humor and, sometimes, painful honesty. Within these pages are stories of marriage and family hardship; lessons in political gamesmanship; thoughts on his obsessive desire to succeed; and, finally, learning the meaning of "enough." From his advertising days in Chicago in the 1950's to becoming the youngest CEO of a Fortune 300 Company, he shares with us his rise to the top and the price paid along the way. As the youngest Cabinet member in the Nixon administration, he describes his survival techniques in a hubris-driven and paranoid White House, including his turbulent turf wars with Treasury Secretary John Connally leading to Peterson's abrupt and highly publicized firing. His stewardship of Lehman Brothers is a Shakespearian tale of a CEO who struggled to deal with partners who were plotting his demise and, at the same time, turning an institution on the brink of bankruptcy to one with 5 straight years of record profits. His life's story is about doing well by doing good. In the wake of Blackstone's highly successful public offering, Peterson found himself an 80-year old

instant billionaire, on the verge of retirement. And like many lifetime workers and over-achievers, he suddenly confronts an unexpected, depressing identity crisis. His solution? Committing a great bulk of his net proceeds to establish the Peter G. Peterson Foundation, his philanthropic endeavor to do something about America's politically untouchable challenges that threaten America's future, among them massive entitlement obligations, ballooning health care costs, and our energy gluttony. Ultimately, this is a man's account of his legendary successes, humiliating failures, and personal tragedies - a testament to a remarkable life and, indeed, to the American Dream itself.

A panoramic history of liberal politics in America by a forefront historian and author of A Godly Hero analyzes the impact of major movements throughout the past two centuries, from abolitionism and industrial-age labor disputes to the civil-rights movement and the emergence of alternative political groups.

Winner of the Pulitzer Prize and National Book Award Finalist Young Martin Dressler begins his career as an industrious helper in his father's cigar store. In the course of his restless young manhood, he makes a swift and eventful rise to the top, accompanied by two sisters--one a dreamlike shadow, the other a worldly business partner. As the eponymous Martin's vision becomes bolder and bolder he walks a haunted line between fantasy and reality, madness and ambition, art and industry, a sense of doom builds piece-by-hypnotic piece until this mesmerizing journey into the heart of an American dreamer reaches its bitter-sweet conclusion.

One American Dreamer, a Biographical Novel based on the life and times of Iowa man Donald R. Tietz, effectively entwines the major portion of the twentieth century with the thoughts and feelings of a young country boy who grows into a very successful entrepreneur. Young Donny's mother struggles to give birth as we join the story, a heart grabbing read right from the beginning. We're given glimpses into the honorable thoughts and stalwart soul of Rudy Tietz, Donald's father, and sideways glances at the disturbed balance of his wife Clara, daughter of the enormous and rowdy Leininger clan. Some genetic magic between Rudy and Clara Tietz distilled into a young boy driven by a brilliant mind, one who could envision things that had never been done before, and tell himself he could do them. A little man, always striving to please the father that he loved to the depths of his being. A simple farmer's existence was not enough for young Donny; he dreamed of flying his own airplane very early in life, and accomplished that dream by the age of sixteen. At twenty, too young to carry a gun to defend his own life, Don became a Police Officer, first in Algona Iowa, and then in Tampa Florida. Courage, strength, accomplishment, daring, and success are all a huge part of the life of Donald R. Tietz, One American Dreamer. Accompanied by heartache and loss, enough to balance the scale of wealth and privilege. A man who seems to have won this human race, but a man who hurts inside his shy smile. A man to reflect his century as only a Dreamer can. Excitement and close calls, drama in real life, love and loss, they're all within the pages of One American Dreamer. Your whole family will enjoy the heart warming story of Donald R. Tietz.
