The importance of North America, trade, alliances, public support, and purpose are five traditions of American foreign policy. America's relationship with the world has been shaped by these traditions from its founding, to the Louisiana Purchase, to more recent developments like America's looming withdrawal from the Paris Agreement and trade disputes with historic allies.

□Biden and his team will have to find some way to reshape U.S. foreign policy and revive the United States's sense of its purpose in the world,□ he wrote. □It won't be easy. A Biden victory in November would offer the temptation of seeking to restore the United States's post-Cold War image of itself as a virtuous hegemon.

~~Joe Biden vs. the American foreign policy establishment ...~~

Joe Biden got married at the United Nations Chapel and spent decades on the Senate Foreign Relations Committee, so it's perhaps little surprise that Democrats in the U.S. Congress are eyeing a return to more traditional foreign policy if their party wins the White House. Polls in the U.S. predict ...
