Over the years, here's what I learned about teaching American history to English language learners: 1. Reasons mean more than dates. You may remember your history teacher making you match years with events, but for ELL students it's more important that they understand the significance behind historic people's motivations.

Course: Murphy - American History II

Americans were increasingly angry at the British violation of American ships' neutral rights to hurt France, the impressment (seizure) of 10,000 American sailors needed by the Royal Navy to fight Napoleon, and British support for hostile Indians attacking American settlers in the Midwest with the goal of creating a pro-British Indian barrier state to block American expansion westward. They may also have desired to annex all or part of British North America, although this is still heavily ...
