University with a rich history of excellence, quality teaching and research spanning over decades. The Department has always been committed to the symbiotic relationship of teaching, research and the larger concerns of society.

English Literature | GCUF

Before starting with the outline, you need to understand the basic components. It goes without saying that a clear outline is important when it comes to presenting the literature review and writing the entire paper. 2.1 Research Proposal Template. It might seem like a dreadful task and especially for the students who are new to this.
