Judy's big act of bravery, however, is simply trying to write her own version of the Antigone play instead of a final paper for her English ...

Another Antigone Clearly, A.R. Gurney has become one of America's most popular playwrights. Using his razor wit and erudition, he's entertained and provoked us with such hits as Scenes From American Life, The Dining Room, Love Letters, The Perfect Party, Later Life and Sylvia--all of which make hay laying bare the generally sheltered worldview of affluent literate Americans.
