outcomes; and think and write creatively. Students will find the exercises interesting and the open-ended questions challenging. They are expected to do research on their own for exercises that require background knowledge. They can do so using the Internet or encyclopedia. It is our desire that students who have completed this series will find themselves equipped to discuss issues beyond their years.

This book offers an in-depth study on the poetics of creative writing as a subject in the dramatically changing context of practice as research, taking into account the importance of the subjectivity of the writer as researcher. It explores creative writing and theory while offering critical antecedents, theoretical directions and creative interchanges. The book narrows the focus on psychoanalysis, particularly with regard to Lacan and creative practice, and demonstrates that creative writing is research in its own right. The poetics at stake neither denotes the study or the techniques of poetry, but rather the means by which writers formulate and discuss attitudes to their work.

“ As I sat in the Odyssey Writing Workshop classroom where Melanie and Steve Tem were serving as writers-in-residence, I thought how fortunate the students were to participate in that magical experience. Through their unique ‘ dialogues on writing, ’ Melanie and Steve explored topics in a way that was both liberating and illuminating. Writers could disagree on how to write! And they could prompt each other to dig deeper into their thoughts and processes, eliciting unique insights. Students were delighted and fascinated. Now this book allows more writers to benefit from their invaluable explorations. ” —Jeanne Cavelos, bestselling author and director of the Odyssey Writing Workshops Charitable Trust Steve Rasnic Tem and Melanie Tem are no strangers to the writing business. Between the two of them, they have published more than 600 short stories, 20 novels, and 10 short story collections. Not to mention numerous articles, essays, poems, and plays. They've won the World Fantasy Award, British Fantasy Award, and Bram Stoker Award. In this book they go over everything from the mechanics of writing, to how to find the time to write, to dealing with all the paper writers tend to collect. They discuss plot, point of view, setting, characterization, and more, all in an informal tone that invites you to become part of their conversation. Learn how to find your stories because they are Yours to Tell.

When Reaper Demonweaver meets a Deity, all of his questions regarding the mythology of life and death as well as the Apocalyptic war that demolished most of his planet, are answered. Not long after, the prophesied siege begins and the mythical demons return to ravish his beloved city, Echo Sublimity. As Reaper finds himself caught in the chaos he is left questioning his convictions, his life, his Deity, and himself.

Throughout her life, Angie has lost loved ones to stupid, meaningless deaths. As an adult she beings researching urban legends, hoping to find proof that something exists beyond our mundane world. Is there magic? Is there existence beyond this life? Is there any kind of meaning to it all - even if that meaning is a dark one? In the end, Angie will get her answer, and she'll learn that reality isn't just darker than she thinks: It's some kind of monster.
