

# Read Free Arithmetic And Geometry Around Hypergeometric Functions Lecture Notes Of A Cimpa Summer School Held At Galatasaray University Istanbul 2005 Progress In Mathematics

## Arithmetic And Geometry Around Hypergeometric Functions Lecture Notes Of A Cimpa Summer School Held At Galatasaray University Istanbul 2005 Progress In Mathematics

Getting the books arithmetic and geometry around hypergeometric functions lecture notes of a cimpa summer school held at galatasaray university istanbul 2005 progress in mathematics now is not type of challenging means. You could not solitary going considering ebook addition or library or borrowing from your links to gain access to them. This is an certainly simple means to specifically get guide by on-line. This online message arithmetic and geometry around hypergeometric functions lecture notes of a cimpa summer school held at galatasaray university istanbul 2005 progress in mathematics can be one of the options to accompany you in imitation of having additional time.

It will not waste your time. bow to me, the e-book will very tune you new business to read. Just invest tiny grow old to edit this on-line proclamation arithmetic and geometry around hypergeometric functions lecture notes of a cimpa summer school held at galatasaray university istanbul 2005 progress in mathematics as skillfully as review them wherever you are now.

Arithmetic and Geometry Around Hypergeometric Functions ...

This volume comprises the Lecture Notes of the CIMPA Summer School "Arithmetic and Geometry around Hypergeometric Functions" held at Galatasaray University, Istanbul in 2005. It contains lecture notes, a survey article, research articles, and the results of a problem session. Key topics are moduli spaces of points on  $P^1$  and Picard-Terada-Deligne-Mostow theory, moduli spaces of K3 surfaces, complex hyperbolic geometry, ball quotients, GKZ hypergeometric structures, Hilbert and Picard modular ...

---

Arithmetic and Geometry Around Hypergeometric Functions ...

Preface This volume comprises the Lecture Notes of the CIMPA Summer School Arithmetic and Geometry around Hypergeometric Functions held at Galatasaray University, Istanbul during June 13-25, 2005. In the Summer School there were fifteen lectures forming an impressive group of mathematicians covering a wide range of topics related to hypergeometric functions.
