Arkansas is a collection of 3 stories -- each about 60-70 pages in length. Like much of Leavitt's work, while it is fiction, it gives at least to sense of being autobiographical. The main protagonist is often a stand-in for Leavitt himself.

'A literary triumph' Independent In 'Saturn Street' a disaffected screenwriter in Los Angeles volunteers to deliver lunches to homebound AIDS patients and falls in love with one of his clients. In 'The Wooden Anniversary', Nathan and Celia - characters familiar to readers of Leavitt's short story collections - reunite awkwardly, at the cooking school Celia runs in Tuscany, after a five-year separation. And in 'The Term Paper Artist', a writer named David Leavitt, hiding out at his father's house in the

aftermath of a publishing scandal, experiences literary rejuvenation when he agrees to write term papers for UCLA undergraduates in exchange for sex. Comical, lyrical and speculative, in these three innovative novellas David Leavitt explores the themes of escape, exile and homecoming with a keen eye for human weakness - and strength.

From a Writers' Workshop, an ESP Conference at the historic Crescent Hotel, to an Ozarks UFO Weekend, there's never a dull moment in the Victorian village of Eureka Springs, Arkansas. Three novellas follow the adventures of two friends as they look forward to fun and entertainment. Instead, each weekend finds them in the middle of a murder mystery in an idyllic mountain town.

### FICTION-GENERAL

David Leavitt's second collection of stories further confirms a talent deep and wonderfully creative in its empathy. *A Place I've Never Been* explores family relationships, friendships, and romantic relationships, among characters whose sexuality is fluid or uncertain -- a barrier or under threat. A real estate agent happily married to a woman finds himself in love with another man in "Houses." A man entering a bold new world of gay hookups feels sheltered from the most intimidating attentions by his more attractive, charismatic friend. And Leavitt moves from the familiar American suburbs to Italy, where he's also spent time, to create a contrast with European concepts of loyalty and fidelity that transcends the usual stereotypes. *A Place I've Never Been* is clever and pleasurable, but also revelatory and wise.

Home for the summer in Dunleith, Alabama, Rhoda Manning's life appears at ease. But the headstrong, passionate 19-year-old refuses to settle for a comfortable, conventional existence. Yearning for a life of profundity, adventure, and beauty, Rhoda breaks from the seemingly secure world of her family to recklessly follow her dreams—but not without tragic and disturbing consequences. A failed marriage, shady abortion, an impulsive decision to sneak into a midnight meeting of the Klan, dates with her shrink, a deluge of booze, and a bout of repentance all seem to vie as the means to Rhoda's own liberation. Gilchrist unflinchingly takes us through the turbulence of Rhoda's formative years, on an outrageous coming-of-age journey of a young white woman in the 1960's South—digging through the bone to reveal the chill of human experience. PRAISE: "One of the lies we enjoy telling ourselves is that when we were young, we were crazy and wild. But hey, sensitive, too, and reflective, full of conscience, already evolving into the mature human beings we are now. Ellen Gilchrist's novel, *Net of Jewels*, provides an uncomfortable reminder that, more likely, we were controlled by brute forces—our raw emotions and emerging libidos, our parents and our desperate need to fit in, whatever that meant where and when we grew up." —Chicago Tribune "Ellen Gilchrist refracts life through a prism of precious gems, a net of jewels. Her fiction is always a kind of prose poem, a dance of seven veils. Like all of Gilchrist's work, her latest novel dazzles and pulsates, and even in the few passages of below-normal sheen, *Net of Jewels* still qualifies as an almost imperceptibly flawed diamond." —Los Angeles Times In her ninth book, which begins in the mid-50's, Ellen Gilchrist tracks a 19-year-old who drinks too much, marries too young, and is bored by her own children. The plucky Rhoda Manning has appeared in many of

Gilchrist's short stories; in *Net of Jewels* she positively struts. ...She struggles to free herself from the constraints of upper-crust Southern society, yet insists on enjoying all its advantages. Interestingly, Gilchrist chooses not describe Rhoda's transformation into a "better" person ... "If we could understand one thing entirely, we might understand it all." Rhoda philosophizes. ... An engaging novel [with] beauty and emotional horsepower. —Entertainment Weekly

It is the summer of 1940, and Lisbon, Portugal, is the only neutral port left in Europe—a city filled with spies, crowned heads, and refugees of every nationality, tipping back absinthe to while away the time until their escape. Awaiting safe passage to New York on the SS *Manhattan*, two couples meet: Pete and Julia Winters, expatriate Americans fleeing their sedate life in Paris; and Edward and Iris Freleng, sophisticated, independently wealthy, bohemian, and beset by the social and sexual anxieties of their class. As Portugal's neutrality, and the world's future, hang in the balance, the hidden threads in the lives of these four characters—Julia's status as a Jew, Pete and Edward's improbable affair, Iris's increasingly desperate efforts to save her tenuous marriage—begin to come loose. Gorgeously written, sexually and politically charged, David Leavitt's long-awaited new novel is an extraordinary work.

This collection of comic tales centres on *The Pinch* - a backwater Jewish community in Memphis - whose citizens refer to themselves as *The Lost Tribe*. Stern's characters are plagued by history, lust, solitude and the extravagance of their imaginations.

Three “sly, self-knowing, and hilarious” novellas from the highly acclaimed author of *The Lost Language of Cranes* (*The New York Times*). Here are three novellas of escape and exile, touching and funny and at times calculatedly outrageous. In “*Saturn Street*,” a disaffected LA screenwriter delivers lunches to homebound AIDS patients, only to find himself falling in love with one of them. In “*The Wooden Anniversary*,” Nathan and Celia—familiar characters from Leavitt's story collections—reunite after a five-year separation. And in “*The Term-Paper Artist*,” a writer named David Leavitt, hiding out at his father's house in the aftermath of a publishing scandal, experiences literary rejuvenation when he agrees to write term papers for UCLA undergraduates in exchange for sex. “Confessional, audacious and outrageous . . . This is classic Leavitt—writing with subtlety, maturity and compassion about the complexity and fragility of human relationships.” —*Los Angeles Times Book Review*

Set against the rise of fascism in 1930s Europe, *While England Sleeps* tells the story of a love affair between Brian Botsford, an upper-class young English writer, and Edward Phelan, an idealistic employee of the London Underground and member of the Communist Party. Though far better educated than Edward, Brian is also far more callow, convinced that his homosexuality is something he will outgrow. Edward, on the other hand, possesses “an unproblematic capacity to accept?? both Brian and the unorthodox nature of their love for each other—until one day, at the urging of his wealthy aunt Constance, Brian agrees to be set up with a “suitable?? young woman named Philippa Archibald . . . Pushed to the point of crisis, Edward flees, volunteering to fight Franco in Spain, where he ends up in prison. And Brian, feeling responsible for Edward's plight, must pursue him across
