scene. No other writer enhances the reader ' s experience of art in precise, jargon-free prose as Schjeldahl does. His reviews are more essay than criticism, and he offers engaging and informative accounts of artists and their work. For more than three decades, he has written about art with Emersonian openness and clarity. A fresh perspective, an unexpected connection, a lucid gloss on a big idea awaits the reader on every page of this big, absorbing, buzzing book.

“ If John Berger ' s *Ways of Seeing* is a classic of art criticism, looking at the ‘ what ’ of art, then David Salle ' s *How to See* is the artist ' s reply, a brilliant series of reflections on how artists think when they make their work. The ‘ how ’ of art has perhaps never been better explored. ” —Salman Rushdie *How does art work? How does it move us, inform us,*

Read PDF Art Critique Paper

challenge us? Internationally renowned painter David Salle ' s incisive essay collection illuminates these questions by exploring the work of influential twentieth-century artists. Engaging with a wide range of Salle ' s friends and contemporaries—from painters to conceptual artists such as Jeff Koons, John Baldessari, Roy Lichtenstein, and Alex Katz, among others—How to See explores not only the multilayered personalities of the artists themselves but also the distinctive character of their oeuvres. Salle writes with humor and verve, replacing the jargon of art theory with precise and evocative descriptions that help the reader develop a personal and intuitive engagement with art. The result: a master class on how to see with an artist ' s eye.

Introduction to Art: Design, Context, and Meaning offers a comprehensive

The New York Times film critic shows why we need criticism now more than ever. Few could explain, let alone seek out, a career in criticism. Yet what A.O. Scott shows in *Better Living Through Criticism* is that we are, in fact, all critics: because critical thinking informs almost every aspect of artistic creation, of civil action, of interpersonal life. With penetrating insight and warm humor, Scott shows that while individual critics--himself included--can make mistakes and find flaws where they shouldn't, criticism as a discipline is one of the noblest, most creative, and urgent activities of modern existence. Using his own film criticism as a starting point--everything from his infamous dismissal of the international blockbuster *The Avengers* to his intense affection for Pixar's animated *Ratatouille*--Scott expands outward, easily guiding readers

Read PDF Art Critique Paper

through the complexities of Rilke and Shelley, the origins of Chuck Berry and the Rolling Stones, the power of Marina Abramovich and 'Ode on a Grecian Urn.' Drawing on the long tradition of criticism from Aristotle to Susan Sontag, Scott shows that real criticism was and always will be the breath of fresh air that allows true creativity to thrive. "The time for criticism is always now," Scott explains, "because the imperative to think clearly, to insist on the necessary balance of reason and passion, never goes away."

Art criticism was once passionate, polemical and judgmental: now critics are more often interested in ambiguity, neutrality, and nuanced description. And while art criticism is ubiquitous in newspapers, magazines, and exhibition brochures, it is also virtually absent from academic writing. Here, James Elkins

and wall labels; op-ed journalism and exhibition reviews; and writing for websites and blogs. In counseling the reader against common pitfalls—such as jargon and poor structure—Gilda Williams points instead to the power of close looking and research, showing how to deploy language effectively; how to develop new ideas; and how to construct compelling texts. More than 30 illustrations throughout support closely analysed case studies of the best writing, in Source Texts by 64 authors, including Claire Bishop, Thomas Crow, T.J. Demos, Okwui Enwezor, Dave Hickey, John Kelsey, Chris Kraus, Rosalind Krauss, Stuart Morgan, Hito Steyerl, and Adam Szymczyk. Supplemented by a general bibliography, advice on the use and misuse of grammar, and tips on how to construct your own contemporary art library, *How to Write About Contemporary Art* is the

essential handbook for all those interested in communicating about the art of today.

Updated to reflect recent archaeological discoveries and overflowing with color illustrations, this book is the definitive introduction to the art of the Viking Age. The Viking Age in Europe lasted from the time of the first major Viking expeditions in 800 CE to the widespread adoption of Christianity in Scandinavia some 300 years later. During that time, Viking art and culture spread across continental Europe and into the world beyond. Written by a leading authority on the subject, this book introduces readers to the intricate objects and beautiful art styles that developed during the Viking Age. Beginning with an introduction to the geographical and historical background of Viking culture, author James Graham-Campbell chronicles the six main styles of

Viking art, examining how they emerged and interacted with one another, as well as how the religious shift from paganism to Christianity impacted Viking art and its legacy. More than 200 high-quality illustrations depict everything from delicate metalwork, elaborate wood carvings, ornate weapons, and fine jewelry to grand ships, the Gotland picture stones, and archaeological traces left by the Vikings around the Western world. Now revised and updated with recent archaeological discoveries, Viking Art is a perfect guide—including a timeline and maps—for all those interested in the arts of this vibrant and fascinating culture.

The fiftieth anniversary edition of the essay that is now recognized as the first major work of feminist art theory—published together with author Linda Nochlin 's reflections three decades

Read PDF Art Critique Paper

later. Many scholars have called Linda Nochlin ' s seminal essay on women artists the first real attempt at a feminist history of art. In her revolutionary essay, Nochlin refused to answer the question of why there had been no “ great women artists ” on its own corrupted terms, and instead, she dismantled the very concept of greatness, unraveling the basic assumptions that created the male-centric genius in art. With unparalleled insight and wit, Nochlin questioned the acceptance of a white male viewpoint in art history. And future freedom, as she saw it, requires women to leap into the unknown and risk demolishing the art world ' s institutions in order to rebuild them anew. In this stand-alone anniversary edition, Nochlin ' s essay is published alongside its reappraisal, “ Thirty Years After. ” Written in an era of thriving feminist theory, as well as queer

Read PDF Art Critique Paper

theory, race, and postcolonial studies, “ Thirty Years After ” is a striking reflection on the emergence of a whole new canon. With reference to Joan Mitchell, Louise Bourgeois, Cindy Sherman, and many more, Nochlin diagnoses the state of women and art with unmatched precision and verve. “ Why Have There Been No Great Women Artists? ” has become a slogan and rallying cry that resonates across culture and society. In the 2020s, Nochlin ’ s message could not be more urgent: as she put it in 2015, “ There is still a long way to go. ”

A major new work from the world ’ s leading writer on art Landscapes, the companion volume to John Berger ’ s highly acclaimed Portraits, explores what art tells us about ourselves. “ Berger ’ s work is an invitation to reimagine; to see in

Read PDF Art Critique Paper

different ways, ” writes Tom Overton in the introduction to this volume. As a master storyteller and thinker John Berger challenges readers to rethink their every assumption about the role of creativity in our lives. In this brilliant collection of diverse pieces—essays, short stories, poems, translations—which spans a lifetime ’ s engagement with art, John Berger reveals how he came to his own unique way of seeing. He pays homage to the writers and thinkers who influenced him, such as Walter Benjamin, Rosa Luxemburg and Bertolt Brecht. His expansive perspective takes in artistic movements and individual artists—from the Renaissance to the present—while never neglecting the social and political context of their creation. Berger pushes at the limits of art writing, demonstrating beautifully how his artist ’ s eye makes him a storyteller in these essays, rather

Read PDF Art Critique Paper

than a critic. With “ landscape ” as an animating, liberating metaphor rather than a rigid definition, this collection surveys the aesthetic landscapes that have informed, challenged and nourished John Berger ’ s understanding of the world. Landscapes—alongside Portraits—completes a tour through the history of art that will be an intellectual benchmark for many years to come.
