Selling a lot of two used books by Isaac Asimov. Asimov's Chronology of Science & Discovery and the other book being Asimov's New Guide To Science. Asimov's New Guide to Science is in great shape with some shelf wear on the dust cover. Asimov's Chronology... was a library cover and has a clear cover over the dust cover, yellowed pages (on the outside), library stamp on the book but is in pretty good shape considering it being a library book. Let me know if you have any questios.

**Isaac Asimov - Wikipedia**

Asimov wrote the Lucky Starr series of juvenile science-fiction novels using the pen name Paul French. Asimov also wrote mysteries and fantasy, as well as much nonfiction. Most of his popular science books explain scientific concepts in a historical way, going as far back as possible to a time when the science in question was at its simplest stage.
