AUDIT OF INSURANCE COMPANIES - CA-FINAL.in

What is an insurance audit? An insurance audit is the carrier ' s way of determining how much risk they actually insured over the past year. The company could ' ve undergone a drastic change over that whole year your policy was in effect. Several factors determine the premium carriers charge for general liability (GL) and workers comp insurance. Some of the most important of those factors are certain projections that you self-report to the carrier: sales and payroll.
