father passed away and in his last Will and Testament he dropped a bomb no one saw coming. One of the richest men in the world, left forty-nine percent of his company to a sister my client never knew he had. A woman named Mia Saunders. Maxwell has a year to find this sister or he loses almost half of his empire to a greedy board of investors. Somehow, he found me and here I am. Sharing in family dinners, pretending to be someone I'm not and fooling bigwigs left and right. Only I'm finding myself falling in love with a family I can never have. One that will hurt to leave. Stetsons, soul-searching, and sisterly duty all come into a sharp tangle with twists and turns I never saw coming. \*\*\* In the eighth book of the Calendar Girl serial, Mia is sent to Dallas, Texas. Still on her mission to save her father, she is hired to be the long lost sister of Maxwell Cunningham, one of the newly richest men in America. "Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." -Meredith Wild, #1 NYT Bestselling Author Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. \*\*\* Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
