This is a long-awaited collaboration between the the 74 year-old King and 55 year-old Clapton. In many ways it is more of a King album than it is a Clapton one, his presence is so strong and dominant and Clapton's respect is such that he almost takes too much of a back seat at times.

This first recorded pairing between the 74-year-old King and the 55-year-old Clapton was put together in the most obvious way: Clapton arranged the session using many of his regular musicians, picked the songs, and co-produced with his partner Simon Climie.

B.B. is the undisputed King of the Blues, and I wondered how well he and Eric Clapton would mesh. But then, I heard "Come Rain or Come Shine" on the radio, and I was hooked (some times, I think it is impossible for someone to do a bad job with this song). The title, "Riding With the King" kinda lets us know who is the Boss here.

Cast your ears on Eric Clapton and B.B. King ' s cover of ' Rollin ' and Tumblin ' ' right here: The ' Riding with the King ' reissue is available to pre-order right now in a variety of formats. B.B. King died on 14th May 2015 in Las Vegas, Nevada. He was 89 years old.

The first full and authoritative biography of an American—indeed a world-wide—musical and cultural legend “ No one worked harder than B.B. No one inspired more up-and-coming artists. No one did more to spread the gospel of the blues. ” —President Barack Obama “ He is without a doubt the most important artist the blues has ever produced. ” —Eric Clapton Riley “ Blues Boy ” King (1925-2015) was born into deep poverty in Jim Crow Mississippi. Wrenched away from his sharecropper father, B.B. lost his mother at age ten, leaving him more or less alone. Music became his emancipation from exhausting toil in the fields. Inspired by a local minister ’ s guitar and by the records of Blind Lemon Jefferson and T-Bone Walker, encouraged by his cousin, the established blues man Bukka White, B.B. taught his guitar to sing in the unique solo style that, along with his relentless work ethic and humanity, became his trademark. In turn, generations of artists claimed him as inspiration, from Jimi Hendrix and Eric Clapton to Carlos Santana and the Edge. King of the Blues presents the vibrant life and times of a trailblazing giant. Witness to dark prejudice and lynching in his youth, B.B. performed incessantly (some 15,000 concerts in 90 countries over nearly 60 years)—in some real way his means of escaping his past. Several of his concerts, including his landmark gig at Chicago ’ s Cook County Jail, endure in legend to this day. His career roller-coasted between adulation and relegation, but he always rose back up. At the same time, his story reveals the many ways record companies took advantage of artists, especially those of color. Daniel de Vis é has interviewed almost every surviving member of B.B. King ’ s inner circle—family, band members, retainers, managers, and more—and their voices and memories enrich and enliven the life of this Mississippi blues titan, whom his contemporary Bobby “ Blue ” Bland simply called “ the man. ”

A new B.B. King dimension. This book is your ultimate resource for B.B. King. Here you will find the most up-to-date 58 Success Facts, Information, and much more. For over five decades, Eric Clapton has ranked among rock's premiere guitarists—and since the early 1980s, famed music photographer Gene Shaw has been capturing great moments from Slowhand's electrifying career. More than 150 of Shaw's rare color and black-and-white photographs offer a front-row fan's perspective on many legendary musical events. Highlights include Clapton's performance at the 1983 ARMS benefit; the 1992 show with Elton John at Shea Stadium; the 2005 Cream reunions at the Royal Albert Hall and Madison Square Garden; several appearances at the Rock and Roll Hall of Fame induction ceremonies; and the current Crossroads Guitar Festivals. Shaw provides a commentary on each show, recapturing the emotionally charged moods of venues ranging from small clubs and theaters to vast stadiums and arenas. Notes on the performances include a partial band lineup and complete set list. This unique retrospective includes an Introduction by Rolling Stone writer Anthony DeCurtis and a Foreword by John "Crash" Matos, artist and designer of some of Clapton's signature guitars.

From the Yardbirds to Cream, Blind Faith to Derek and the Dominos, and a hugely-successful solo career, Eric Clapton's fifty years in the music business can look like an uninterrupted rise to become one of the greatest guitar players who ever lived. But his story is as complicated as it is fascinating. Clapton's god-like skill with a guitar was matched by an almost equal talent for self-destruction. He has never shied away from telling the truth about his battles with drink and drugs - or the sometimes catastrophic impact they had on the other people in his life, including his first wife Pattie Boyd. And without those deep personal lows we may never have had the musical highs that won him millions of fans. His story is also one of a long but successful road to sobriety, redemption and happiness. Motherless Child chronicles Clapton's remarkable journey: the music, the women, the drugs, the cars, the guitars, the heartbreak and the triumphs are all here. The book includes interviews with some people close to Clapton who have never spoken on the record before. It explores his musical legacy as one of the most influential musicians of his generation, and as the keeper of the flame for the blues.

(Guitar Recorded Versions). The All Music Guide praises B.B. King in no uncertain terms as "the single most important electric guitarist of the last half century." This outstanding book in our Guitar Recorded Versions series provides note-for-note transcriptions with tab for 35 hits from this living legend from 1950 to 2000, including: Ask Me No Questions \* B.B. Blues \* Bad Luck Soul \* Chains and Things \* Five Long Years \* I Want You So Bad \* King of Guitar \* Lucille \* Paying the Cost to Be the Boss \* Riding with the King \* Sweet Sixteen \* The Thrill Is Gone \* Watch Yourself \* and more.

B. B. King has the blues running through his blood. Growing up in the rural poverty of the Mississippi Delta, King first experienced the blues at nine years old, when his mother passed away. The man of the house before the end of his first decade, he used this strife as a source of inspiration and launched one of the most celebrated musical careers in American history. King has led a remarkable life, and this riveting autobiography dramatizes his whirlwind adventures from the Memphis of the forties to the Moscow of the nineties with unflinching candor and sincerity. But most of all, B.B.'s story is the story of the blues—the evolution from country acoustic to urban electric, the birth and explosion of rock 'n' roll—and B.B.'s own long, but ultimately triumphant, struggle for crossover success, during which he remained unwaveringly true to the music of his heart.

(Guitar Educational). A kaleidoscopic reinterpretation of 16 blues rock titans is the hallmark of this Greg Koch book with over three hours of online video lessons. It breaks down the styles, techniques, and licks of guitarists including Albert Collins, B.B. King, Duane Allman, Eric Clapton, Jimi Hendrix, Stevie Ray Vaughan, Johnny Winter and many more. The book includes note-for-note transcriptions of all the samples and solos in the videos. In addition, Greg has created "mash-ups" of multiple players, infused with his own unique guitar stylings, to create a brave new blues for the masses.

HOW TO PLAY BLUES GUITAR SECOND EDITION

"BB KING TAPS INTO SOMETHING UNIVERSAL ..... HE CAN'T BE CONFINED TO ANY ONE GENRE. THAT'S WHY I'VE CALLED HIM A 'GLOBAL MUSICIAN,'" - ERIC CLAPTON Like a celebration thrown by B.B. for his countless fans, The B.B. King Treasures brings remembrances, photos, and rare and personal memorabilia together in a magnificent collection. Numerous illustrations and 12 removable facsimile reproductions - among them a farming record from his old days as a Mississippi sharecropper and a postcard from a sixteen-year-old B.B. to his sweetheart - provide the atmosphere for the party. The entertainment is a jam session, led by the King of the Blues himself, of rare and never before published quotes and stories from B.B., his friends, and people he worked with over the years. The 60-minute CD features two previously unreleased songs - one from B.B.'s first-ever recording session with ABC Records in 1962, the other from a 1971 London studio session - along with selected interviews. the first illustrated book published by B.B.King, The B.B.King Treasures presents a one of a kind look inside the legacy of the foremost blues singer and guitarist of our time. Since B.B King started recording in the late 1940s, he has released more than 50 albums, many of them considered classics, and has become the most renowned blues musician of the past 40 years. The recipient of numerous honours, he has been nominated for 24 Grammy Awards and was given a Lifetime Achievement Grammy in 1987. In 1990, he received the Presidential Medal of the Arts. He was an award recipient at the Kennedy Center in 1995. In1996, he published his autobiography, Blues All Around Me, with coauthor David Ritz.
