Riley B. King (September 16, 1925 - May 14, 2015), known professionally as B.B. King, was an American singer-songwriter, guitarist, and record producer. King introduced a sophisticated style of soloing based on fluid string bending, shimmering vibrato and staccato picking that influenced many later blues electric guitar players.

My Kind of Blues is a studio album by American bluesman B. B. King. According to biographer David McGee, the songs were recorded in 1958 at the Chess Records studios in Chicago. However, researcher Colin Escott identifies the recordings as being from a March 3, 1960 session, when King was under contract to the Bihari brothers and recorded in the Los Angeles area. The Bihari's budget Crown Records issued the album in 1960. The liner notes contained a blurb about King's "particular form of jazz..."

With authentic, easy-to-read lead sheets and audio choices, these first-of-a-kind editions will bring your local blues jam right into your house! Each professionally recorded song includes two tracks: a full-stereo mix, and a split track mix with removable guitar, bass, piano, and horn parts. Features 8 songs by the legendary B.B. King: Everyday I Have the Blues * It's My Own Fault Darlin' * Just like a Woman * Please Accept My Love * Sweet Sixteen * The Thrill Is Gone * Why I Sing the Blues * You Upset Me Baby.

B. B. King has the blues running through his blood. Growing up in the rural poverty of the Mississippi Delta, King first experienced the blues at nine years old, when his mother passed away. The man of the house before the end of his first decade, he used this strife as a source of inspiration and launched one of the most celebrated musical

Read PDF B B King King Of The Blues Guitar Tab Edition

careers in American history. King has led a remarkable life, and this riveting autobiography dramatizes his whirlwind adventures from the Memphis of the forties to the Moscow of the nineties with unflinching candor and sincerity. But most of all, B.B.'s story is the story of the blues—the evolution from country acoustic to urban electric, the birth and explosion of rock 'n' roll—and B.B.'s own long, but ultimately triumphant, struggle for crossover success, during which he remained unwaveringly true to the music of his heart.

'Charles Sawyer's biography of B.B. King is, aside from its thorough study of the man's renowned musical achievements, a powerful, honest and admirable chronicle of his life. It is also very entertaining, despite the inevitable tensions and tragedies which are implicit in the lives of Black artists who, like B.B., have to fight wave after wave of bigotry and discrimination regardless of how talented they happen to be.' --Gordon Parks

(Book). The Lives in Music series meshes biography with discography. This debut title profiles the legendary King of Blues, B.B. King. An opening essay charts his life from childhood in the Mississippi Delta up to his first studio session. The author then takes an inside look at his distinguished career, album by album, offering a critical appraisal of each recording and a portrait of the making of each album. First-hand interviews with B.B. King, as well as producers, engineers, arrangers, and key musicians, bring these sessions to life and provide readers a context for understanding B.B. King's recordings in light of his career and life events that shaped them. This definitive book also includes a complete history of every B.B. King session.

Blues legend B.B. King spent his life sharing the music of his soul, which shone relentlessly through hardship and triumph alike. He never wavered from his vocation, even as he gathered up other musicians in his wake and melded them into the harmony of his animating passion. In this intimate portrait of King, author Diane Williams offers a brief account of the monumental blues man's life before settling in for a series of interviews with his bandmates and beloved family members, offering readers an invaluable opportunity to feel like they know King too.

This intimate portrait of living legend B.B. King celebrates the blues singer and guitarist with 75 color and black-and-white photos, facsimile reproductions of items from his personal archive, and--similar to the popular "The Sinatra Treasures"--an audio CD featuring unreleased music and interviews.
