Revealing the writing process through interactive learning
Backpack Writing, Fourth Edition presents writing, reading, and research processes dynamically, using a variety of visuals to illustrate how readers interact with texts and how writers compose. One of the first textbook authors to focus on multimedia composing, Lester Faigley employs his own advice to engage students in every step of the writing process — for both college composition and everyday life — and pulls back the curtain ...

The smallest and most economical member of the Kennedy/Gioia family, Backpack Literature is a brief paperback version of the discipline's most popular introduction to literature anthology. Like its bigger, bestselling predecessors, Backpack Literature features the authors' collective poetic voice which brings personal warmth and a human perspective to the discussion of literature, adding to students' interest in the readings. New selections have been added including four new one-act plays to help "ease" students into the study of this genre. The new plays include two comedies-- David Ives's, *Sure Thing* and Jane Martin's *Beauty*--as well as Terrence McNally's poignant *Andre's Mother* and Edward Bok Lee's experimental drama *El Santo Americano*.

Literature, 9/e, the most popular introduction of its kind, is organized into three genres Fiction, Poetry, and Drama. As in past editions, the authors' collective poetic voice brings personal warmth and a human perspective to the discussion of literature, adding to students' interest in the readings. An introduction to a balance of contemporary and classic stories, poems, and plays. Casebooks offer in-depth look at an author or clusters of works, for example Latin American

Poetry. Authors Joe Kennedy and Dana Gioia provide inviting and illuminating introductions to the authors included and to the elements of literature. Coverage of writing about literature is also included. For those interested in literature.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Backpack Writing uses written instruction and visual tools to teach how to read, write, and research effectively for different purposes in this concise version of the bestselling text. Lester Faigley ' s clear and inviting teaching style and Dorling Kindersley ' s accessible and striking design combine to give writers a textbook that shows them what readers and writers actually do. Unique, dynamic presentations of reading, writing, and research processes in the text bring writing alive and speaks to writers with many learning styles. Throughout the book, writers are engaged and learning, with such notable features as “ process maps ” to guide writers through the major writing assignments, extensive examples of student “ Writers at work, ” and diverse, distinctive reading selections.

Krakauer ' s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his

wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Describes the experiences of a newcomer to the Yukon when he attempts to hike through the snow to reach a mining claim.

Don Newman's first volume of Savannah centric poetry reflects the close personal relationship between poet and subject often found in work dedicated to a particular place. Such intimate subjectivity may seem lofty at times. But this Savannah native has a way of bringing grandiose notions of his hometown down to earth. Here, the author's regional sensibilities-together with his stretch toward the universal-offer the reader a unique perspective and a tour of Savannah unattainable during a typical day of sightseeing. While by no means a comprehensive poetic look at the city, Newman's Little Poetry Book of Savannah will surely augment the traveler's backpack, give visitors a distinctive literary keepsake, and make the perfect gift for those back home who would like an authentic little piece of Savannah. Meditative, descriptive, fun, quirky, and enjoyably honest, Newman bares parts of his soul in this down-to-earth, head-in-the-clouds "poetry for everyone." "[A] hilarious and heartbreaking story of a Jewish family 's escape from oppression."--The New York Times A compelling story of two intertwined journeys: a Jewish refugee family fleeing persecution and a young man seeking to reclaim a shattered past. In the twilight of the Cold War (the late 1980s), nine-year old Lev Golinkin and his family cross the Soviet border with only ten suitcases, \$600, and the vague promise of help awaiting in Vienna. Years later, Lev, now an American adult, sets out to retrace his family's long trek,

locate the strangers who fought for his freedom, and in the process, gain a future by understanding his past. Lev Golinkin's memoir is the vivid, darkly comic, and poignant story of a young boy in the confusing and often chilling final decade of the Soviet Union. It's also the story of Lev Golinkin, the American man who finally confronts his buried past by returning to Austria and Eastern Europe to track down the strangers who made his escape possible . . . and say thank you. Written with biting, acerbic wit and emotional honesty in the vein of Gary Shteyngart, Jonathan Safran Foer, and David Bezmozgis, Golinkin's search for personal identity set against the relentless currents of history is more than a memoir—it's a portrait of a lost era. This is a thrilling tale of escape and survival, a deeply personal look at the life of a Jewish child caught in the last gasp of the Soviet Union, and a provocative investigation into the power of hatred and the search for belonging. Lev Golinkin achieves an amazing feat—and it marks the debut of a fiercely intelligent, defiant, and unforgettable new voice.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.
