An autobiography by the first African-American principal dancer in American Ballet Theatre history.

A young girl lives out her big ballerina dreams in this graceful start to a new series from New York City Ballet principal dancer and international prima ballerina Tiler Peck and Broadway and television actor Kyle Harris. Ten-year-old Katarina is a New York City girl through and through, but the buzz of the city drives her to feel that she is meant for more than her ordinary day to day routine. Her big dream? To become a prima ballerina. With the help of a few new friends, Katarina finally puts on her first pair of ballet shoes and she's more than determined to make it work. But her feet don't quite move the way she would like them to, the twirls and spins make her dizzy, and her classmates aren't exactly welcoming. When the head of the dance studio announces that there will be a competition to earn a spot in an upcoming international dance camp, Katarina knows this could be her big chance to make her dancer dreams come true. Does this tiny dancer have what it takes to stand out in the ballet world of blending in?

Oh, to be a ballerina! It's a challenge for any little girl, but even more so if you happen to be a vampire like Vampirina. First of all, you have to find a class that meets at night. Then you have to figure out how to perfect your form when you can't see yourself in the mirror? And then there's wearing pink (not the most flattering of colors if you happen to be undead) and that nagging urge to take a little nip out of the other dancers. And worse of all... STAGE FRIGHT!!!

In an encore performance, Angelina Ballerina returns in this refreshed picture book from acclaimed author Katharine Holabird and celebrated artist Helen Craig! In fact, she's so busy dancing that she forgets all about the other things she's supposed to do, like cleaning her room and joining her family for breakfast! Her parents don't know what to do—especially after her arabesques in the kitchen knock over the milk! Then one day they come up with an idea that will change Angelina's life forever... With Katharine Holabird's lively writing and Helen Craig's charming illustrations, the original story, now refreshed and re-released, will continue keeping a whole new generation of young ballerinas leaping with delight.

A young girl invites us into her ballet class, and later performs onstage in her first recital.

A look inside a dancer's world Inspiring, revealing, and deeply relatable, *Being a Ballerina* is a firsthand look at the realities of life as a professional ballet dancer. Through episodes from her own career, Gavin Larsen describes the forces that drive a person to study dance; the daily balance that dancers navigate between hardship and joy; and the dancer's continual quest to discover who they are as a person and as an artist. Starting with her arrival as a young beginner at a class too advanced for her, Larsen tells how the embarrassing mistake ended up helping her learn quickly and advance rapidly. In other stories of her early teachers, training, and auditions, she explains how she gradually came to understand and achieve what she and her body were capable of. Larsen then re-creates scenes from her experiences in dance companies, from unglamorous roles to exhilarating performances. Working as a ballerina was shocking and scary at first, she says, recalling unexpected injuries, leaps of faith, and her constant struggle to operate at the level she wanted--but full of enormously rewarding moments. Larsen also reflects candidly on her difficult decision to retire at age 35. An ideal read for aspiring dancers, Larsen's memoir will also delight experienced dance professionals and fascinate anyone who wonders what it takes to live a life dedicated to the perfection of the art form.
