published in 1859. It was published pseudonymously, even though Evans was a well-published and highly respected scholar of her time. The story's plot follows four characters' rural lives in the fictional community of Hayslope—a rural, pastoral and close-knit community in 1799. The novel revolves around a love triangle between beautiful but self-absorbed Hetty Sorrel, Captain Arthur Donnithorne, the young squire who seduces her, Adam Bede, her unacknowledged suitor, and Dinah Morris, Hetty's cousin, a fervent, virtuous and beautiful Methodist lay preacher.

As dependency on software systems increases, so equally does the need for trained and qualified testers. In a world of employment mobility, having an internationally recognized qualification ensures that there is a common understanding of the testing issues at hand. Software testers preparing for the International Software Testing Qualification Board (ISTQB) examination - the first and only international certification scheme available - will find full support for their study in this book. Designed to help software and system testing professionals
