Have you ever queued for a restaurant? Pre-ordered something months in advance? Fought for tickets that sell out in a day? Had a hairdresser with a six-month waiting list? There are people who don't chase clients, clients chase them. In a world of endless choices, why does this happen? In this book, entrepreneur and author Daniel Priestley explains why and, most importantly, how. This is a recipe for ensuring demand outstrips supply for your product or service, and you have scores of customers lining up to give you money

A no-nonsense, implementable handbook for taking part in the Entrepreneur Revolution We are living in revolutionary times; times with an impact as significant and far-reaching as the previous Industrial Revolution was to the Agricultural Age. Technological shifts have allowed micro-businesses to compete with large corporations. Small business can now have a global footprint, can be structured in low tax environments, move products anywhere in the world, and access unprecedented levels of support. Entrepreneur Revolution means taking the initiative to do something that you love, something that you're good at, and something that will make you money. This masterclass in gaining an entrepreneurial mindset will show how to change the way you think, the way you network, and the way you make a living. Includes new statistics, activities, case studies, and research Takes a look at how the brain can affect the entrepreneurial mindset Offers new ideas for entrepreneurs starting a new business Helps you shake off old ideas and make a great, independent leap forward This inspiring and practical book shows you how to break free from The Industrial Revolution mindset, quit working so hard, follow your dream—and make a fortune along the way.

* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. What is standing in the way of your success? External challenges plague some traders, but their own psychology is often a bigger detriment to performance. In this new guide to trading success, financial expert Dr. Ned Gandevani shows you how to identify your own unique trading personality - and turn it to your advantage. Dr. Gandevani's revolutionary new technique, the Trading Personality Profile (TPP) test, has helped traders everywhere understand their own personality and maximize their profits. Learn about sound trading methodology, investment psychology, the theories of personality, the five-factor model of personality traits, and various performance models - all geared to furthering your self-perception. Others may tell you that trading psychology is about changing your mind-set, but Dr. Gandevani urges you to stop fighting your essential self. Instead, work with it - and shape your approach to suit your personality. Your success awaits!

With the availability of self-publishing services and the rise of the entrepreneur as a thought leader, writing a book is becoming more appealing to an increasing number of small business owners. The problem? Most small business owners aren't writers, have never written a book before, are time poor and don't know where to start. While many want to write a book, they worry about investing months of their time and thousands of their dollars to write

Virtually all job hunting experts agree that networking is the best way to find a great job. But most people don't have connections to the decision makers who do the hiring. Orville Pierson, a top expert in job hunting, tells you how to succeed by effectively using your current circle of contacts. He cuts through the myths and misunderstanding to show you how millions of job hunters have networked their way to great new jobs. Highly Effective Networking empowers you to: Use a small network to reach dozens of insiders and decision makers; get the right message to the right people; create a project plan to organize your networking efforts; speak effectively and comfortably with our networking contacts; and talk to decision makers before the job opening is announced.
