composer's keyboard music.

This collection contains 25 selections including dances, "Moment Musicaux," an impromptu, a set of variations and various other works. Schubert's compositional output, musical style and use of ornaments are discussed in the preface. Original editions and more recent editions were consulted and significant discrepancies appear as footnotes.

This volume contains 31 pieces from The First Term at the Piano, For Children, 10 Easy Pieces and 7 Sketches. The informative foreword includes Bartók's specific instructions on wrist and finer action, articulations and syncopation. Each piece is prefaced by a brief introduction.

This edition contains 13 of the most beautiful and useful movements from Beethoven's most popular sonatas. These intermediate to early advanced piano sonata movements are expertly edited by Dr. Maurice Hinson. This volume includes helpful performance suggestions, a suggested order of study, and editorial markings that are easily distinguished from Beethoven's notations.
