Reading with Jane Considine S. Yusuf, PhD: Guidance! But How? Beyond The Body Proper Reading

Beyond the Body Proper: Reading the Anthropology of Material Life - Google Books. Over the past several decades, scholars in both the social sciences and humanities have moved beyond the idea that there is a "body proper": a singular, discrete biological organism with an individual psyche. They have begun to perceive embodiment as dynamic rather than static, as experiences that vary over time and across the world as they are shaped by discourses, institutions, practices, technologies ...

Beyond the Body Proper: Reading the Anthropology of ...

The forty-seven readings presented in this volume range from classic works of social theory, history, and ethnography to more recent investigations into historical and contemporary modes of embodiment. "Beyond the Body Proper" includes nine sections conceptually organized around themes such as everyday life, sex and gender, and science.
