and numerous book collections from fictions to scientific research in any way. in the course of them is this biblia referencia dake rvr60 spanish edition that can be your partner.

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles.
