As a result, its meaning can be unclear to readers; white doesn't represent a shared culture and history in the way Black does, and also has long been capitalized by hate groups.

~~Why We're Capitalizing Black - The New York Times~~

However-1 White being, absolutely, a moral choice (for there are no white people), the crisis of leadership for those of us whose iden-tity has been forged, or branded, as Black is nothing new. We—who were not Black before we got here either, who were defined as Black by the slave trade—have paid for the crisis of leadership in the white
