Black Science Series by Rick Remender - Goodreads

Grant McKay, former member of The Anarchistic Order of Scientists, has finally done the impossible: He has deciphered Black Science and punched through the barriers of reality. Grant theorizes that each alternate reality of what he calls the "Eververse" is like an onion.

Black Science (comics) - Wikipedia

This is a good (3.5 stars) third volume in a sci-fi series whose only constant is change. The characters are not static and the plot moves very fast. Black Science was coined by a Shaman in volume 2, and it describes the damage wrought by Grant McKay's discovery of a dimensional transporter.
