Master the science of funnel building to grow your company online with sales funnels in this updated edition from the \$100M entrepreneur and co-founder of the software company ClickFunnels. DotCom Secrets is not just another "how-to" book on internet marketing. This book is not about getting more traffic to your website--yet these secrets will help you get exponentially more traffic than ever before. This book is not about increasing your conversions--yet these secrets will increase your conversions more than any headline tweak or split test you could ever hope to make. Low traffic or low conversion rates are symptoms of a much greater problem that's a little harder to see (that's the bad news), but a lot easier to fix (that's the good news). What most businesses really have is a "funnel" problem. Your funnel is the online process that you take your potential customers through to turn them into actual customers. Everyone has a funnel (even if they don't realize it), and yours is either bringing more customers to you or repelling them. Over the past decade we have run tens of thousands of split tests to figure out which funnels work for almost every situation you can dream of. If your goal is to generate leads, we have funnel frameworks and scripts for that. If you want to sell a product or a service, there are frameworks and scripts for that as well. The sales funnel frameworks that you will find inside these pages have now helped literally tens of thousands of companies around the world to grow faster than ever before. This book will give you access to all the processes, funnels, frameworks, and scripts that we use to scale our companies online so you can fix your funnel and turn it into the most profitable member of your team!

A timely and powerful time-slip story inspired by the author's family in Budapest during the Holocaust Louie lives with her brothers, Bert and Teddy, in a hotel run by their grandparents. It is one of Sydney's grand old buildings, rich in history ... and in secrets. When a rose-gold locket, once thought lost, is uncovered, it sends Louie and her brothers spinning back in time. Back to a world at war: Budapest in the winter of 1944, where their grandparents are hiding secrets of their own ... From bestselling author Susanne Gervay comes a heart-racing timeslip story inspired by her own family's escape from Budapest during the Holocaust. Master the art of what to say in your funnels to convert your online visitors into lifelong customers in this updated edition from the \$100M entrepreneur and co-founder of the software company ClickFunnels. Your business is a calling. You've been called to serve a group of people with the products, services, and offers that you've created. People come into your funnels looking for a solution to their problems. By positioning yourself as an expert and learning how to tell your story in a way that gets people to move, you are able to guide people through your value ladder, giving them the results they are looking for. This is how you change the lives of your customers, and this is how you grow your company. Most people who put their products up for sale don't understand that their expertise is the key to actually selling the product. Your story, why you created this offer, and why you started your movement are what initially get people to convert and then continue to stay with you over time. Your message has the ability to change someone's life. The impact that the right message can have on someone at the right time in their life is immeasurable. Your message could help to save marriages, repair families, change someone's health, grow a company, or more . . . But only if you know how to get it into the hands of the people whose lives you have been called to change. Expert Secrets will help you find your voice and give you the confidence to become a leader . . . Expert Secrets will show you how to build a movement of people whose lives you can change . . . Expert Secrets will teach you how to make this calling a career.

Master the evergreen traffic strategies to fill your website and funnels with your dream customers in this timeless book from the \$100M entrepreneur and co-founder of the software company ClickFunnels. The biggest problem that most entrepreneurs have isn't creating an amazing product or service; it's getting their future customers to discover that they even exist. Every year, tens of thousands of businesses start and fail because the entrepreneurs don't understand this one essential skill: the art and science of getting traffic (or people) to find you. And that is a tragedy. Traffic Secrets was written to help you get your message out to the world about your products and services. I strongly believe that entrepreneurs are the only people on earth who can actually change the world. It won't happen in government, and I don't think it will happen in schools. It'll happen because of entrepreneurs like you, who are crazy enough to build products and services that will actually change the world. It'll happen because we are crazy enough to risk everything to try and make that dream become a reality. To all the entrepreneurs who fail in their first year of business, what a tragedy it is when the one thing they risked everything for never fully gets to see the light of day. Waiting for people to come to you is not a strategy. Understanding exactly WHO your dream customer is, discovering where they're congregating, and throwing out the hooks that will grab their attention to pull them into your funnels (where you can tell them a story and make them an offer) is the strategy. That's the big secret. Traffic is just people. This book will help you find YOUR people, so you can focus on changing their world with the products and services that you sell.

Much has been written about the mysterious underground world that lies beneath the streets of London but few have ever had the opportunity to see so many aspects of it first-hand and make a detailed photographic record of all that they have seen. This is one of the two factors that make this book so different from all the others that have come before it. The second factor is the meticulous research that has gone into ensuring that the history and background narrative to each of the locations described and illustrated are both concise and accurate.

How would your life and business be different if you could multiply your sales and increase your prices in the next 30 days? Discover the secret branding experts don't want you to know. More than 4 years of research, 34 entrepreneurs interviewed, \$30,000 invested, hundreds of enemies made along the way, 1 attempted lynching, barred from the lucrative circle of 'experts'... All this just to be able to share the best kept secrets of the branding world with you, secrets that will enable you to build your brand for much less money than you think. WARNING: This is NOT a book about pretending to be Superman and learning to do it all by yourself. This book is for business owners and entrepreneurs who take their business very seriously...and their life with good humor. What will you learn then? In this book you'll learn to create the basic features of your brand, those that can skyrocket your sales and prices overnight, by outsourcing to the best professionals at low cost prices. Avoid the long years of hard work and impossible investments that other brands have required to create the security and trust needed to be able to sell without worrying about your price point. Forget about learning to do everything for yourself or settling for asking your cousin, friend, neighbor, etc. to do it for you... due to a lack of funds! Who is this book NOT for? Branding agencies: I'm going to reveal your secrets. DO NOT buy this book... it'll only make you mad! Branding gurus: I'll be demonstrating how to expose you. DO NOT buy this book... it'll only make you mad! Designers and developers: I'll be explaining where to find the best, and cheapest, professionals. DO NOT buy this book... it'll only make you mad! Audiovisual production companies: I will show your potential clients how to survive without your extortionately priced services. DO NOT buy this book... it'll only make you mad! Etc. So who IS the book for? Business owners: Whether you're a small businessperson taking your first steps in the industry or a big business with years of experience behind you, this book will help you to make the leap to the "next level". Entrepreneurs: Do you sometimes feel like you'd have to be Superman to juggle all the different aspects of your project? Do you keep signing up (and paying) for courses and training sessions to learn absolutely everything there is to know for yourself? Then you need to read this book UR-GENT-LY! If my book DOES deliver what it promised: In less than a month you'll be selling more. You'll be able to increase your prices without worrying about you rivals selling at a lower price point. Your customers will start treating you like the professional you are and will stop trying to haggle for better prices. You'll grow your returns on the investments made on present and future marketing campaigns. Etc. If my book DOESN'T deliver what it promised: You'll be a bit wiser and... I will refund 120% of your money! 120% Money Back Guarantee: if after reading my book it doesn't live up to your expectations, send me an email and I will refund 120% of the amount paid. No questions asked. As you will see... You have nothing to lose and a lot to gain!

A timely and powerful timeslip story inspired by the story of the author's family in Budapest during the Holocaust Twelve-year-old Louie lives with her brothers, Bert and Teddy, and their Hungarian grandparents, in the Majestic Boutique Hotel, an old-world establishment surrounded by magnolia trees and an aura of peace. But when Louie finds an old rose-gold locket covered in mysterious writing, she learns that it isn't just the magnolias her grandparents have carefully cultivated at the Majestic - with their peace and tranquility comes secrets they would prefer remain buried. And as Louie and her brothers attempt to discover the truth, they are thrown back in time to 1944, into the middle of their grandparents' experiences in Nazi-occupied Budapest. The old locket holds the secrets of the young heroes of Budapest's secret Jewish underground, and the history Louie's grandparents want to keep hidden. And until these secrets are revealed, there can be no peace for anyone - in the past, present or future.

By leveraging the secrets revealed in this book, people are going from struggling entrepreneurs to running successful businesses in just a few month. Throughout the 21 chapters you will find a step-by-step blueprint that teaches you how to grow your Instagram following fast, effortlessly drive massive traffic to your website, collect email leads like crazy, and generate predictable profits.
