Owner Manuals | Bosch Home Appliances

Bosch Oven Door Won't Close. A common issue you may encounter if the main Bosch oven door won't close or if you have a Bosch warming drawer stuck is because something is lodged in the door, which causes the oven door to jam. A cooking utensil, piece of food or other object may have fallen into the oven door hinge, preventing it from fully closing. In most cases, the object would have to be sizable to be able to hamper the door.
