Yet, as *Brainwashed: Erasing the Myth of Black Inferiority* testifies, too much of black America is still wandering in the wilderness. In this powerful examination of "the greatest propaganda campaign of all time"--the masterful marketing of black inferiority Burrell poses 10 provocative questions that will make black people look in the mirror and ask why, nearly 150 years after the Emancipation Proclamation, so many blacks still think like slaves.

mediadriven brainwashing that still goes on today? As a marketing professional who respects and admires brilliantly conceived and deftly executed propaganda, I eventually recognized that one of the greatest propaganda campaigns of all time was the masterful marketing of the myth of black inferiority to justify slavery within a democracy. Ingenious.

Brainwashed: Challenging the Myth of Black Inferiority ...

"Challenging the Myth of Black Inferiority" offers an insightful deconstruction of how we have unconsciously internalised a black inferiority complex stemming from the transatlantic slave trade. Whilst I appreciate that this book was written about African Americans there are many points relevant to myself, a Black British woman.
