Before you are able to change the lawn mower oil on your Briggs & Stratton® small engine, it's important to understand the oil type and capacity required. The type of equipment you use, the engine within, and the temperature outside determines what type of oil to use, how much you need and the cost of the oil.

What type and how much oil for my lawn ... - Briggs & Stratton

Find the operator's manual or illustrated parts list for your Briggs & Stratton engine or product by following the instructions below. Looking for a part number? Use the Parts Lookup tool to find your part number, availability & pricing, and order online. 1. Locate your model number.
