budget. A budget or spending plan is a road map for telling your money what to do each month. At its simplest, a budget lists how much income you have coming in compared to what's going out each month. Creating a detailed and written budget allows you to make smarter decisions with your finances daily.

Page 24/35

Will Change

Download File PDF Budgeting

Budgeting saves you the stress of suddenly having to adjust to lack of funds because you did not initially plan how to spend them. It also helps you decide if you want to sacrifice short term spending like buying coffee everyday in exchange for a long term benefit like a cruise vacation or a new HDTV.
