Leader of the most powerful army in the heavens, Zacharel has been deemed nearly too dangerous, too ruthless—and if he isn't careful, he'll lose his wings. But this warrior with a heart of ice will not be deterred from his missions at any cost...until a vulnerable human tempts him with a carnal pleasure he's never known before. Accused of a crime she did not commit, Annabelle Miller has spent four years in an institution for the criminally insane. Demons track her every move, and their king will stop at nothing to have her. Zacharel is her only hope for survival, but is the brutal angel with a touch as hot as hell her salvation—or her ultimate damnation?

Reading between the lines of the Bible provides the background for this story of an angel without clue who searches for the hidden fallen.

Koldo, who lives for revenge on the angel who destroyed his wings, yet faces eternal damnation if he yields to hatred, defends Nicola Lane, a fragile human with a heart defect, against the demons who are determined to kill her.

Before the White Rabbit Chronicles, before Firstlife, New York Times bestselling author Gena Showalter wrote the Intertwined series, featuring a sixteen-year-old boy with four other souls trapped in his head. Aden Stone ' s adventures continue in book 2, UNRAVELED... Since coming to Crossroads, Oklahoma, former outcast Aden Stone has been living the good life. Never mind that one of his best friends is a werewolf, his girlfriend is a vampire princess who hungers for his blood, and he ' s supposed to be crowned Vampire King—while still a human! Well, kind of. With four—oops, three now—human souls living inside his head, Aden has always been "different" himself. These souls can time-travel, raise the dead, possess another ' s mind and, his least favorite these days, tell the future. The forecast for Aden? A knife through the heart. A war is brewing between the creatures of the dark, and Aden is somehow at the center of it all. But he isn ' t about to lie down and accept his destiny without a fight. Not when his new friends have his back, not when Victoria has risked her own future to be with him, and not when he has a reason to live for the first time in his life....
