It is 1895 and the world is in turmoil. The Great Powers compete for resources and the latest technology, and an undeclared and secret war rages between them all. This is battleground of the Adventuring Companies. These clandestine agents of the Great Powers operate in the shadows, matching skills and wits in pursuit of the newest scientific formulae or powerful occult artifacts.

It is 1895 and the future depends not upon the actions of governments but upon those of the Adventuring Companies, and will be shaped by countless engagements in city streets, ancient ruins, dense jungles, high mountains and boundless deserts. In America, good men fight to preserve their hard-won liberty and the great drive west is stalled by Native American mystics and powerful outlaw gangs.
