Myerly Scott : Scott Hughes Myerly is a cultural and military historian. Editorial Reviews. ... The British Army is well known for its pomp and pageantry, color and precision drill. Nowhere in its history is this more evident than the period from 1800 to 1857, when the army was at its pinnacle and almost continuously engaged in one campaign or ...

[British Military Spectacle: From the Napoleonic Wars ...](#)

There have been innumerable books about army uniforms and traditions, but Myerly, an American cultural and military historian, is concerned also with the impact on society of military spectacle and of those martial virtues and excellences which he describes, not once but many times, as the military paradigm. The author calls Byron in aid.
